

Rim of the World Unified School District – March 2020 GO School Bond Measure
Election Day: March 3, 2020

ARGUMENT IN FAVOR OF MEASURE A

VOTE YES on Measure A to improve the quality of education in our six Rim of the World schools — Rim and Mountain High Schools, MPH Intermediate School, and Charles Hoffman (CHE), Lake Arrowhead (LAE), and Valley of Enchantment (VOE) elementary schools. The need is great and our kids are worth it!

Our mountain schools have educated generations of local children. However, after years of constant use, harsh weather conditions, and other factors, today, the state of our **aging, deteriorated school facilities** is now our #1 threat to providing a quality education to students here on the mountain.

Measure A will help. **VOTING YES** authorizes a prudent, responsible plan to upgrade our schools. Every Rim USD school will benefit.

Measure A will:

- **Renovate career-training** classrooms for **today's** instruction and hands-on learning in science, technology, engineering, arts, math and skilled trades
- **Expand** instructional technology and keep computer systems up to date
- **Repair/replace** deteriorating roofs, plumbing, heating, ventilation and electrical systems
- **Upgrade** science labs, classrooms and technology to meet rising college/university admission requirements
- **Improve** student safety, security, and access for students with disabilities.

MANDATORY TAXPAYER PROTECTIONS:

- **ALL funds** go to Rim school facilities ONLY.
- **NO funds** are allowed for employee salaries, benefits or pensions.
- Citizens' Oversight, independent audits and public reporting ensure proper spending.

VOTING YES helps our community qualify for millions in State matching funds, leveraging taxpayer dollars even further. Without Measure A, these funds will go to other communities that have passed local school bonds.

Whether or not you have school-age children, Measure A is a wise investment. That's why parents, teachers, and residents across our mountain community are VOTING YES.

The longer we wait, the more expensive these upgrades will be.

Please, make your vote count - for **our** children and **our** mountain community.

VOTE YES on Measure A.
