WHEREAS, the Board has determined that schools within the District need to be upgraded, repaired, expanded, improved and better equipped in a fiscally prudent manner to enable the District to also improve student safety and campus security by installing fencing, security cameras, emergency communications systems, access control systems; and

WHEREAS, since some District schools now serve more than 900 students and are at or over their original capacity, and additional resources are necessary to build classrooms and facilities to reduce overcrowding; and

WHEREAS, the Board believes that crowded schools make it harder to learn and reduce the amount of time teachers can spend with students; and

WHEREAS, all residents benefit from living in a community with good schools and whether or not residents have school-age children, protecting the quality of our schools, the quality of life in our community, and the value of our homes, is a wise investment; and

WHEREAS, the State of California (the "State") has been unable to provide the District with enough money for the District to adequately construct and repair schools to provide an optimal learning environment for all students and which keep pace with other top-performing districts; and

WHEREAS, the District has completed a facilities assessment with extensive community engagement to identify the most pressing needs in each of the District's schools to provide safe and updated classroom environments for all students; and

WHEREAS, many classrooms and school facilities require upgrades to support the science, technology, engineering, arts and math education local students need to succeed in college and future careers; and

WHEREAS, the Board has received information regarding the possibility of a local bond measure and its bonding capacity; and

WHEREAS, a local measure will help provide funds that cannot be taken away by the State to upgrade aging schools, protect student safety, reduce overcrowding, and help the District qualify for State matching funds; and

WHEREAS, such measure will include mandatory taxpayer protections, including an independent citizens' oversight committee and mandatory audits to ensure funds are spent as promised; and

WHEREAS, on November 7, 2000, the voters of California approved the Smaller Classes, Safer Schools and Financial Accountability Act ("Proposition 39") which reduced the voter threshold for *ad valorem* tax levies used to pay for debt service on bonded indebtedness to 55% of the votes cast on a school district general obligation bond; and

WHEREAS, concurrent with the passage of Proposition 39, Chapter 1.5, Part 10, Division 1, Title 1 (commencing with Section 15264) of the Education Code (the "Act") became operative and established requirements associated with the implementation of Proposition 39; and

WHEREAS, the Board desires to make certain findings herein to be applicable to this election order and to establish certain performance audits, standards of financial accountability and citizen oversight that are contained in Proposition 39 and the Act; and

WHEREAS, the Board and District has solicited stakeholder and community input on school priorities from parents, teachers, staff, the community and civic leaders; and

WHEREAS, the Board desires to authorize the submission of a proposition to the District's voters at an election to authorize the issuance of bonds to pay for certain necessary improvements and enhancements to District educational facilities which will improve the health, safety and quality of education for students in the District; and

WHEREAS, the Board hereby determines that, in accordance with Opinion No. 04-110 of the Attorney General of the State of California, the restrictions in Proposition 39 which prohibit any bond money from being wasted or used for inappropriate administrative salaries or other operating expenses of the District shall be enforced strictly by the District's Citizens' Oversight Committee; and

WHEREAS, pursuant to Education Code Section 15270, based upon a projection of assessed property valuation, the Board has determined that, if approved by voters, the tax rate levied to meet the debt service requirements of the bonds proposed to be issued will not increase the current tax rates for school facilities and not exceed the Proposition 39 limits per year per \$100,000 of assessed valuation of taxable property; and

WHEREAS, Elections Code Section 9400 et seq. requires that a tax rate statement be contained in all official materials relating to the election, including any ballot pamphlet prepared, sponsored, or distributed by the District; and

WHEREAS, the Board desires to authorize the filing of a tax rate statement and a ballot argument in favor of the proposition to be submitted to the voters at the election; and

WHEREAS, pursuant to the Elections Code, it is appropriate for the Board to request consolidation of the election with any and all other elections to be held on Tuesday, March 3, 2020, and to request the San Bernardino County Registrar of Voters to perform certain election services for the District.
