

Argument in Favor of Measure Q

VOTE YES on Measure Q to expand healthcare services for Upland residents and improve Memorial Park.

San Antonio Regional Hospital can no longer physically expand to continue to meet our community's increasing healthcare needs – including those caused by Covid-19. Emergency Room visits continue to significantly increase each year. At the same time, Memorial Park desperately needs an infusion of funding to upgrade its declining recreational facilities.

By approving the \$4.3 million sale of 4.63 acres of under-utilized Memorial Park land to San Antonio Regional Hospital, Measure Q is a WIN-WIN solution for the people of Upland. The benefits include:

BETTER MEDICAL CARE: Measure Q will provide our Hospital with the physical space needed to build new medical facilities and labs with the latest medical technologies for patients. It will enable our Hospital to deliver additional healthcare services – such as specialized cardiovascular and orthopedic care – that are not currently available to the Upland community.

EASIER FAMILY ACCESS: Measure Q will allow San Antonio Regional Hospital to eliminate its severe parking shortage with secure additional parking spaces for patients and their visiting families.

PARK IMPROVEMENTS: Measure Q will provide Upland with \$4.3 million for needed park improvements – including walking paths and exercise stations to promote wellness; renovated playgrounds and ballparks; a new multi-use field for boys' and girls' sports; new family picnic amenities; and even a possible amphitheater for outdoor concerts.

NO COST TO TAXPAYERS. The 4.63 acres being sold to the Hospital contains a paved parking lot, dirt parking lot, and baseball field. All of these would be replaced and improved under a new Memorial Park renovation plan that is paid for with monies from the property sale!

Please join us in making Upland an even better community. VOTE YES on Measure Q.
