Subject: Polling Place in Joshua Tree?

Dear Registrar,

Joshua Tree is a hundred square miles. Why not have the Joshua Tree Community Center as a polling place for Joshua Tree? It's centrally located and has been of great service in the past and has ample facilities for the entire set of Joshua Tree Registered voters. Recently (in the last few years) - you've had DOWNTOWN Joshua Tree voters having to go to Yucca Valley to vote - what's with that? Why can't you make things simpler?

Joshua Tree Community Center please.

Fick,

registered voter who's voted every election possible since 1972
