New Weekly Report of Registration Added to Elections Office website

Beginning Wednesday, March 26, a Weekly Report of Registration will be added to the Elections Office website at www.sbcountyelections.com. This new report replaces the current County and District Summary.

Like the County and District Summary, the Weekly Report of Registration includes the number of registered voters by party for each district, and the number of voters who choose to vote by mail. New additions to the report include the number of voters that vote at their polling place as well as a breakdown by percentage of all categories of voters.

The Weekly Report of Registration will be updated every Monday and posted to the Elections Office website.

For more information, please call the Elections Office at (909) 387-8300.
