05.11.2022 | 2:44 AM | FONTANA - A two-alarm fire destroyed multiple apartment units and displaced several families in a early morning blaze. First responders responded to reports of a commercial structure fire just before 3am.

Arriving units located heavy smoke and fire showing, and multiple apartment units were fully involved in fire. Firefighters called for a second alarm due to the magnitude of the blaze and battled the flames.

It appears everyone was able to safely evacuate, however, many families are displaced as a result of the fire. Firefighters were able to successfully knock down the blaze without injuries.

The cause of the fire is unknown at this time.

SAN BERNARDINO, CA. (Pain In The Pass) >> The northbound lanes of Interstate 215 were shut down due to a jackknifed travel-trailer near Devore Road Thursday night.

The crash occurred at approximately 7:51pm, Thursday May 12, 2022. The crash was located on northbound Interstate 215 about one mile before Devore Road exit. California Highway Patrol and the San Bernardino County Fire Department responded to a traffic collision involving two vehicles. From what the CHP traffic log stated a white SUV and a pickup truck pulling a travel trailer lost control, then jackknifed blocking all the lanes. The SUV hit the center divider and the end of the trailer and became stuck between the guardrail and the trailer.

Rescue crews and Good Samaritans help free the male driver inside the SUV. The driver was not injured in the crash.

The freeway was closed for about an hour while emergency crews dealt with the travel-trailer and the SUV. Traffic was backup all the way to University Parkway when the freeway was reopen.

No injuries were reported from this incident. This incidents will be under investigation by the California Highway Patrol Inland Office. CHP says additional information will be updated as it becomes available. Please check back for updates on this incident.
