PHELAN, Calif. (VVNG.com) — Four firefighters battling a structure fire Sunday night in Phelan were injured, officials said.

Just before 10:00 PM on July 12, 2020, **San Bernardino County Firefighters** responded to a residential structure fire in the 14400 block of Azalea Road.

When crews arrived they located a large home with heavy smoke and fire showing, prompting a *defensive posture from firefighters.

According to a tweet from County Fire, the Battalion Chief on scene reported 4 firefighters were hurt with minor to moderate injuries prompting a response for additional companies and ambulances.

The raging fire extended into a large detached garage, posing the threat of a roof collapse. The structure was suspected to be a possible marijuana grow house, according to County Fire.

The San Bernardino County Sheriff's and County Fire Investigators remain on scene investigating the cause and origin of the fire.

Two of the injured firefighters were transported to hospitals with "moderate" injuries and the other two had only minor injuries. County fire did not say how the firefighters were injured.

7 engines, 1 truck, 2 water tenders, 2 Battalion Chiefs, and 2 ambulances responded to the incident. Crews will remain on scene working on hot spots and overhaul.

Additional information will be updated as it becomes available.

The Fontana Police Department and **San Bernardino County firefighters** responded to an accident involving two vehicles in the northwestern part of Fontana on July 11.

At about 11:28 p.m., authorities arrived on scene and located a black Honda Accord that had rolled over and landed on its wheels at the corner of Duncan Canyon Road and Coyote Canyon Road. A second car, a blue Honda Civic, was located a short distance away.

The driver of the Accord was able to self extricate himself, and emergency first responders treated him for a minor laceration to the head.

According to authorities, the driver of the Civic was stopped at a northbound stop sign on Coyote Canyon. When the driver started to turn left onto Duncan Canyon, the driver of the Accord that was eastbound on Duncan Canyon allegedly ran the stop sign, authorities said.

The cars sideswiped each other in the intersection. The driver of the Accord lost control, hit the center divider and rolled over into the westbound lanes of Duncan Canyon, landing on its wheels. The driver of the Civic came to a stop in the westbound lanes of Duncan Canyon, west of Coyote Canyon.

Both drivers complained of minor injuries but declined medical treatment.

The Fontana P.D. is investigating the incident.

A vegetation fire burned three acres in Fontana on July 12, according to the **San Bernardino County Fire Department**.

The incident took place in the 9200 block of Beech Avenue in the western area of Fontana.

The two-alarm fire threatened to burn a nearby structure but was extinguished before that happened, the Fire Department said on Twitter.

There were no reports of injuries.
