4.0 Special Presentation

Rick Dinon presented the 5th annual Lake Gregory Improvement Committee community update. Also presenting was Tim Millington from Special Districts, and Dave Gelt, project consultant.

Items discussed including introduction of committee members present and the history of the committee. Dinon then made a presentation using a PowerPoint program that covered the main issues related to the project. There are primarily three components; dredging, valve replacement, and dam buttressing. All three were discussed in length. Dinon also discussed the storing of dredging material at the ball field location to be used later for the dam, the order to lower the lake 5 feet below the spillway, possible traffic impacts during dam construction, and removal of the restroom facility located on the dam. The total project will end up costing between \$16 to \$20 million dollars.

5.0 Supervisor's Report

Lewis Murray invited everyone to attend Supervisor Rutherford's annual Christmas Open House event on December 8th in Rancho Cucamonga. Please bring an unwrapped gift or gift card for donation to one of the fire department toy drives.
