

Food Handler Card Organization Made Easy

Introducing the Compliance Manager Application

Compliance Manager is an online tool that allows you to electronically store and track all your employees' food handler cards with the San Bernardino County Department of Public Health.

FAST

Spend less time checking food handler cards during your health inspection.

EASY

Upload food handler cards to your phone by scanning the QR code on each card or entering the certificate number.

CONVENIENT

See the status of your employees' food handler cards in real time. Be alerted when cards are expired or soon to be expired.

SIGN UP TODAY!
