Any leftover food must be returned to the kitchen and discarded.

No open food is allowed to sit on the table. For second servings, the same procedure is used, making sure seconds are placed in a clean bowl with any leftovers discarded.

Milk or unused portions of beverage in their original bulk container may be served at another meal. Make sure milk has not warmed up above 41°F.

Beverages poured from the original carton or container into another container, such as a pitcher, cannot be reused

All food must be maintained at proper temperature. Cold food must be kept at 41°F or less and hot food at 135°F or higher.
