

FREE PLAN CHECK CONSULTATIONS

PLANNING TO BUY, BUILD OR REMODEL A RESTAURANT, PUBLIC POOL OR SPA?

The California Health and Safety Code requires you to submit plans to Environmental Health Services (EHS) that are easy to read, drawn to scale, and include all relevant information for review. Approval of your plans must be obtained from EHS prior to construction.

WE ARE HERE TO HELP YOU!

If you need guidance on your plans, our Plan Check Team is offering in-office consultations to answer any questions you may have. Consultations are currently only in English, and the initial consultation is free! Spanish will be coming soon.

Appointments are limited and available on a first come, first serve basis.

APPOINTMENT TIMES

Every Wednesday

2 - 2:30 p.m.

2:30 - 3 p.m.

3 - 3:30 p.m.

3:30 - 4 p.m.

**Appointments are going fast! Call us at
(800) 442-2283 to book your appointment today.**

Disclaimer: Consultations are not comprehensive reviews and approvals are not granted at this time. Plans must undergo the complete plan review process, starting with a preliminary review before entering the queue for a detailed plan review and approval.
