

# ATTENTION CAMP MANAGER

## Report Illnesses Immediately to DEHS

Promptly notifying Division Of Environmental Health Services (DEHS) staff of any increase in symptoms that may be related to communicable diseases, infections and foodborne illnesses will allow our staff to implement measures to help limit or curtail the spread of the outbreak. Immediate notification is required by the State law. If the incident occurs during regular working hours, Monday through Friday, please call (800) 442-2283. If the incident occurs after business hours, on a holiday, or during the weekend, please call (800) 472-2376

CCR Title 17 Section 30750
