1. COVID-19 Premium Pay

Introduction

The County proposes to establish an ad hoc, Premium Pay Incentive not to exceed \$2,000 per employee to certain assignments/classifications who meet each of the following criteria:

- Must have reported to the worksite between April 9, 2022 and June 30, 2023. For the purpose of the COVID-19 Premium Pay, worksite does not include teleworking from an employee's residence.
- Have regular, in-person interactions with patients, the public, or coworkers.
- Have regular physical handling of items that were handled by, or are to be handled by, patients, the public, or coworkers of the individual that is performing the work.
- The funding for the payment must be reimbursable under the American Rescue Plan Act (ARPA).

Due to the restrictive nature of the ARPA funds the COVID-19 Premium Pay will not be subject to the Grievance Procedure article of the MOU.

2. SALARY ADJUSTMENTS

- Effective July 30, 2022, the District shall provide an additional one percent (1%) across-the-board salary increase.

3. Medical and Dental Coverage

Effective 7/30/22:

Section 1 – Medical and Dental Plan Coverage

(a) All eligible employees scheduled to work forty (40) hours or more per pay period in a regular position must enroll in a medical and dental plan offered by the District. Employees who fail to elect medical and dental plan coverage will be automatically enrolled in the medical and dental plan with the lowest bi-weekly premium rates available in the geographical location of the employee's primary residence. Medical and dental coverage will become effective on the first day of the pay period following the first pay period in which the employee is scheduled to work for forty (40) hours or more and ~~received pay for at least one-half plus one hour of scheduled hours~~ in paid status.

(b) To continue enrollment in a District medical and dental plan, an employee must remain in a regular position scheduled to work for a minimum of forty (40) hours per pay period and ~~have received pay for at least one-half plus one hour of scheduled hours~~ in paid status, or be on an approved leave for which continuation of medical and dental coverage is expressly provided under Section 5 of this Article, or be eligible for and have timely paid the premium for COBRA continuation coverage.

Section 2 – Opt-out and Waive

To receive the opt-out or waive amounts of this Section the employee must be scheduled to work forty (40) hours or more per pay period in a regular position and ~~paid for a minimum of one-half plus one of his/her scheduled hours. For instance, an employee scheduled to work eighty (80) hours must be paid for a minimum of forty-one (41) hours during a pay period to receive the opt-out or waive amounts~~ in paid status.

Section 3 – Medical and Dental Premium Subsidies

(c) Eligibility - Employees in a regular position scheduled for a minimum of forty (40) hours per pay period, who are enrolled in a District sponsored medical plan, are eligible to receive the MPS towards the cost of medical coverage. Employees in a regular position scheduled for a minimum of forty (40) hours per pay period, who are enrolled in a District sponsored medical and dental plan, are eligible to receive the DPS towards the cost of dental coverage. However, employees must be ~~paid for at least one-half plus one hour of their scheduled hours~~ in paid status in order to actually receive the benefits of this Section. ~~For instance, an employee scheduled to work eighty (80) hours per pay period must be paid at least forty-one (41) hours to actually receive the benefits of this Section.~~

For purposes of this Sub-section (C), paid hours shall not include disability payments such as state disability and workers' compensation.

4. Medical Emergency Leave

- Revise (g) as follows:
The employee on an approved medical leave of absence who is receiving Medical Emergency Leave can continue to earn benefit monies (i.e., MPS, Opt-out, and Waive amounts) per the minimum paid hours (i.e., ~~one-half plus one hour~~) per pay period requirement of the Medical and Dental Coverage Article, or the requirement of the Federal and State Family Leave Acts, as applicable to the individual employee.
