WHAT IS THE **COMBINED GIVING** CAMPAIGN

The **Combined Giving Campaign** serves an important purpose in supporting several elements of the Countywide Vision by providing a means for the County to collaborate with charitable organizations, engaging our employees in charitable endeavors, and making a difference to our community by providing resources to our residents.

FREQUENTLY ASKED QUESTIONS

How many charities may I contribute to through the Combined Giving Campaign?

There is no limit to the number of charities that you can contribute to through the Combined Giving Campaign.

What is the minimum and maximum amount that I can contribute?

The minimum contribution amount is \$1.00. There is no maximum contribution amount set by the County; however you should consult with your tax professional regarding the Internal Revenue Service (IRS) maximum charitable donation amount that can be claimed on your taxes.

Are my contributions tax deductible?

Your contributions are 100% tax deductible. Payroll deductions are taken on an after-tax basis, but can be claimed when filing your personal income taxes. The Year-to-Date total on your last paycheck of the year should be used as the amount to claim on your taxes. A printed copy of that same paycheck serves as documentation to include with your tax filing.

Can I contribute to Combined Giving outside of the designated Campaign month?

Absolutely! You can start, stop, or change your Combined Giving Elections at any time throughout the year.

How do I stop my contributions?

To stop an existing election, you may log into [EMACS Self-Service](#) and stop your deduction, or complete the "[Combined Giving Contribution Election Agreement](#)." Review the [Combined Giving EMACS Self-Service Instructions](#) or [Video](#) located on the [Combined Giving Website](#) for additional guidance.

How do I change an existing election?

To change an existing election, you may log into [EMACS Self-Service](#) and change your deduction, or complete the "[Combined Giving Contribution Election Agreement](#)." Review the [Combined Giving EMACS Self-Service Instructions](#) or [Video](#) located on the [Combined Giving Website](#) for additional guidance.

How does the "Your Choice" option work?

The "Your Choice" option allows you to contribute to a charity that holds an Internal Revenue Service (IRS) exemption as a 501(c)(3) charitable organization that are not listed in this brochure. Please confirm with your charity that they qualify before starting your contributions.

A "[Combined Giving Contribution Election Agreement](#)" is required to designate a "Your Choice" agency. Contributions are processed by an umbrella agency, such as America's Charity, United Way or Earth Share. Indicate the umbrella agency and the corresponding "Your Choice" agency code ending in "98". For example, if you select America's Charity as the umbrella agency, you would put "8098" as the agency code. Complete the "Your Choice" section with the contact details for your chosen charitable agency.

You can start, update or stop a "Your Choice" election option in [EMACS Self-Service](#). Note that if you start a "Your Choice" election without completing a "[Combined Giving Contribution Election Agreement](#)," the contribution will remain with the umbrella agency.

How do I make a one-time contribution?

You may make a one-time donation through payroll deduction by logging into your [EMACS Self-Service](#) or by completing the "[Combined Giving Campaign One-Time Deduction](#)" form. To make a one-time donation in EMACS Self-Service, you will need to start your donation for the pay period of your choice and stop your deduction in the pay period of your choice. Review the [Combined Giving EMACS Self-Service Instructions](#) or [Video](#) located on the [Combined Giving Website](#) for additional guidance.

How often are my contributions sent?

Contributions are deducted from paychecks and sent to the agencies designated on a bi-weekly basis.

Who do I contact if I have questions about my Combined Giving Election?

Contact your department's Combined Giving Coordinator or Human Resources at ebds@hr.sbcounty.gov, (909) 387-5787.

8160 Arrowhead Regional Medical Center Foundation

Those who donate to Arrowhead Regional Medical Center's Foundation play an integral role in the care of our patients, and our community. Monies received support the medical center's clinical and specialty programs, capital improvements to include new, leading-edge equipment, community health education events, and our graduate medical education program; we're training tomorrow's physicians right in your backyard! Our patients and their loved ones, and in turn, our communities benefit when you decide to support ARMC's Foundation.

This year's gifts raised through the Combined Giving Program will support ARMC's Vascular Clinic – funds will allow the purchase of necessary vascular diagnostic medical and surgical equipment, systems and software required at ARMC for the diagnosis and treatment of severe and life-threatening vascular conditions.

The body's vascular system encompasses your veins, arteries, and capillaries; it's the body's highway for blood movement. Stokes, aneurisms and arterial disease are but a few of the issues that affect millions of Americans nationwide with vascular issues. The need for advanced medical equipment to better asses and assist those with these medical issues is paramount to a healthy and happy community. Your gift will help us be better stewards of care for patients with vascular disease.

Please consider helping ARMC clinicians and staff fight vascular disease by making a gift to the Foundation. We are always ready to answer your questions or provide additional information about our medical center and the services we provide.

8600 Children's Fund

Founded in 1986 by Patrick Morris and the late Jack H. Brown, Children's Fund is a nonprofit whose mission is giving our vulnerable children support, opportunity, and hope by breaking destructive cycles through community partnerships. Last year, Children's Fund provided more than 69,000 services to children in need in San Bernardino County and since its inception has facilitated over 1.5 million points of service to children and families. Our nonprofit works in partnership with the County of San Bernardino and other nonprofits to help meet the needs of the region's most vulnerable youth. For example, every year, we provide children with new school clothes, backpacks and school supplies, and new beds for a comfortable night's sleep. We help stabilize families with one-time rental and utility assistance, refrigerator purchases, and food vouchers. We provide scholarships to foster youth to break the cycle of poverty many find themselves in. We provide hope to abused children seeking treatment at the Children's Assessment Center where Mack, the therapy dog, provides a safe and warm environment. This year, we will celebrate our 30th holiday toy drive–Celebration of Giving. Last year, 32,600 children received a gift during the holidays. We believe that children are resilient and deserve a chance at a prosperous life. It is our vision and passion to ensure a bright future for every child. Your support makes such a significant difference in "our" children's lives. Thank you!

Luckily, exercise intervention is an excellent tool to mitigate these affects. the Sheriff's Athletic Federation Foundation's mission is to improve the health and quality of life for law enforcement personnel in order to better serve our communities.

8640 San Bernardino County Probation Department Peer Support Program

The San Bernardino County Probation Department has a history of employing selfless people who work to improve the quality of life for the offenders under their supervision and the community as a whole. the Peer Support Program, in turn, is dedicated to helping support these employees, who also sometimes have to navigate their own personal hardships. the San Bernardino County Probation Department began their Peer Support Program in 2009, with an initial team of six Peer Supporters. Today, more than 50 Peer Supporters service approximately 1,400 employees. Peer Supporters are selected based upon their overall ability to assist and remain free of judgment, and most importantly, their ability and commitment to maintain confidentiality. Once trained, Peer Supporters are called upon to offer information and support related to stress management and post-traumatic injuries following critical incidents including, but not limited to, officer involved shootings, severe injury, child deaths, staff or family suicides, and death of employees or family members. For the past 12 years, employees have generously given of their time, energy, and money to help alleviate some of the burdens faced by their peers. To all those who have participated in or supported this program in any way, a deeply appreciative Peer Support Team says, "Thank you!"

KEY THINGS TO KNOW

1. Selected contributions are on-going. Any contributions will be deducted from your paycheck every pay period.
2. Due to the timing of the changes made, there could be a delay of up to one pay period before you see your elected changes. If you wish to make a One-Time contribution, it is up to you to go back in and remove the contribution once the One-Time contribution is taken from your paycheck.
3. You are still able to contribute to the "Your Choice" option. This option allows you to contribute to a charity that is not currently listed Combined Giving campaign brochure. To do so, select the "Your Choice" Agency that corresponds with the given Federation and the desired contribution amount. A ["Combined Giving Contribution Election Agreement"](#) will still need to be submitted to EBSD designating the chosen charity and their contact information.
4. If you have your email saved in EMACS, any time you add, change, or delete your Combined Giving contributions, you will receive an email notification that a change has occurred.

For additional information about the Combined Giving Campaign, please contact your Department's Coordinator or the Employee Benefits and Services Division.
