**BACKGROUND:**

At the September Hearing the Commission reviewed and considered the Municipal Service Reviews/Sphere of Influence Updates for the Apple Valley Community. At that hearing it made determinations for six of the nine agencies within the Apple Valley community under the purview of the Commission. The considerations for the Apple Valley Foothill, Apple Valley Heights and Mariana Ranchos County Water Districts were continued for further review and will be discussed later in this hearing. Attached to this report are the draft resolutions for the six agencies for adoption reflecting the Commission's determinations for each.
