

NOTICE OF PROTEST HEARING

LAFCO 3216 – REORGANIZATION TO INCLUDE ANNEXATIONS TO THE SAN BERNARDINO COUNTY FIRE PROTECTION DISTRICT, ITS VALLEY SERVICE ZONE, ITS SERVICE ZONE FP-5, AND FORMATION OF SERVICE ZONE FP-5 WEST VALLEY

Notice is hereby given that a Protest Hearing will be held by the Executive Officer of the Local Agency Formation Commission (LAFCO) for San Bernardino County. **The hearing will be held at the Upland City Hall, Council Chambers, 460 N. Euclid, Upland, CA on June 14, 2017 at 6:00 p.m., to hear and receive any oral or written protests, objections, or evidence which are made, presented, or filed regarding LAFCO 3216.** *Una copia de este aviso está disponible en español a través por internet, accesible por la página de inicio del sitio de LAFCO (www.sbclafco.org).*

The purpose of the reorganization is to annex the City of Upland's corporate boundary to the San Bernardino County Fire Protection District (County Fire) and its Valley Service Zone. The change will include the transfer of all the City Fire Department's responsibilities, including transfer of Fire Department employees, assets, obligations, and liabilities to County Fire and/or its Valley Service Zone. The approval of the reorganization also includes the annexation to County Fire's Service Zone FP-5 and the formation of a separate zone identified as Service Zone FP-5 West Valley for the territory of the City of Upland and the existing County Fire responsibility area commonly known as San Antonio Heights. The reorganization area includes two defined areas (see map below) outlined as:

- Area 1 -- includes the entirety of the corporate boundaries of the City of Upland, comprising approximately 10,016 acres (15.65 square miles), annexing into County Fire and its Valley Service Zone.
- Area 2 -- includes the entirety of the corporate boundaries of the City of Upland and the area commonly known as the community of San Antonio Heights, generally identified as being north of the existing City boundary, east of the Los Angeles County line, southerly of parcel boundaries and west of the Rancho Cucamonga Fire Protection District boundary for a total of approximately 11,696 acres (18.3 square miles), annexing into County Fire Service Zone FP-5 and formation of Service Zone FP-5 West Valley.

The annexation to Service Zone FP-5 includes a special tax for funding of fire protection and emergency medical response services. This special tax includes an annual inflationary rate of up to a maximum 3% increase. The current rate for FP-5 is \$148.23 per parcel for Fiscal Year (FY) 2016-2017. If the maximum 3% increase is applied for FY 2017-2018, the annual tax would be \$152.68 per assessed parcel. The formation of Service Zone FP-5 West Valley will isolate the revenues received from the special tax and define the area in which they can be expended for service.

The proposed terms and conditions and the area of reorganization for this proposal are set forth in LAFCO Resolution No. 3242 adopted by the Commission on March 23, 2017, which is available for review in the LAFCO office at 215 North D Street, Suite 204, San Bernardino, and on our website at:
