

"Service to others is the rent you pay, for your room here on earth."

- Muhammad Ali

# WELCOME / INTRODUCTIONS

### **Definition**

- A formal, planned, and structured meeting with the goal to provide the following:
  - Holistic and coordinated integrated services across providers, and
  - Reduced duplication.
- Includes communication, information sharing, and collaboration
- Occurs regularly with case managers, housing navigators, and community leaders serving the client within and between agencies in the community
- Coordination activities may include the following:
  - Directly arranging access,
  - Reducing barriers to obtaining services,
  - Establishing linkages, and
  - Other activities to advance the progress of securing safe and stable housing for the unhoused.

### **Purpose**

- Identify and track systematic barriers
- Strategize solutions across multiple providers
- Identify the most appropriate housing resource to facilitate a rapid and permanent exit from homelessness
- Prioritize the most vulnerable households for housing
- Provide real-time support
- Collect system-wide data to inform necessary shifts in resources, identify gaps, etc.
- Meeting to gage the delivery of services in our system of care

### **Structure**

### Case Coordination:

- Representative(s) from cities, county departments, providers/contractors
- Assign one or two representatives

### Meetings:

- Bi-Weekly
- Confidentiality agreement
- In-person

### Master List

- Adults (ages 18+)
- Young Adults (age 18-24)
- Families with child(ren) under age 18
- Seniors (age 65+)

### Smartsheet vs. Excel

- Providers given access to update notes, eliminating the need to forward or send out
- In progress

#### HMIS

- HMIS tech for assistance in meetings
- HMIS reporting

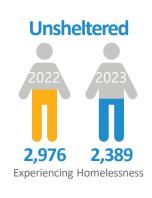

### **STATISTICS**

### Working towards having data on:

- · Bed availability,
- · How long it takes from intake to safe and stable housing, and
- Other measures.
