#### **West Valley RSC Meeting, 4/13/22 – SBCHP Quick Updates**

- **ICH Updates** – The March 23<sup>rd</sup> ICH Meeting Agenda packet and materials can be found at [San Bernardino County Homeless Partnership \(sbcounty.gov\)](http://SanBernardinoCountyHomelessPartnership(sbcounty.gov)). Next ICH Meeting – Wed., April 27<sup>th</sup>, 9:00am.
- **ICH CES Annual Review Ad Hoc Committee** – The ICH Chair has established an Ad Hoc Committee to perform a Coordinated Entry System review that will analyze data and summarize input collected on CES performance to identify key features for system revisions and potential system design options for our CoC CES policies, practices and operations going forward. The Committee has released a consumer survey to receive valuable feedback regarding the CES to be used to help us better understand the needs of our consumers and how we can connect them to services. They can complete the survey either online or on paper. Here is where they can access the online survey: <https://www.surveymonkey.com/r/RFZYSHB>.
- **HUD FY21 CoC Funding Awards** – The San Bernardino City & County CoC was awarded over \$14 million in FY21 CoC funding to fund 22 projects, including over \$2 million for DV bonus project awarded to the SBC DV Coalition under lead agency Family Assistance Program (full list of awardees below)
- **Homeless Housing, Assistance and Prevention Program (HHAP) Round 2** – A Request for Applications (RFA) seeking regional proposals for HHAP Round 2 was released on released on March 17<sup>th</sup>. The original due date was April 7<sup>th</sup>; however, the date was extended to April 15<sup>th</sup> after several adjustments and corrections were made to the RFA. The RSC will review and adopt project funding recommendations in May.
- **Project Roomkey** – OHS released an RFP on April 1<sup>st</sup> for over \$5 million in funding for activities to support Project Roomkey Rehousing Strategies. The RFP is due on April 22<sup>nd</sup>. Non-congregate shelter still available for unsheltered individuals who are at high-risk for COVID-19 (people aged 65+, those with underlying vulnerable health conditions and pregnant women). Contact OHS at 909-501-0610.
- **Emergency Housing Vouchers** – As of 4/8, HACSB has received 674 referrals for the Emergency Housing Voucher program and has released 236 of the 455 available vouchers with 27 leased up as of 4/12 (utilization rate of 5.93%). For more information - [Emergency Housing Voucher \(EHV\) Program - Housing Authority of the County of San Bernardino \(hacsb.com\)](#)
- **FY 2021 HUD Youth Homelessness Demonstration Program** – HUD has published the [Notice of Funding Opportunity \(NOFO\) for the Fiscal Year \(FY\) 2021 Youth Homelessness Demonstration Program \(YHDP\)](#). YHDP is an initiative designed to address systemic responses to youth homelessness and significantly reduce the number of youth experiencing homelessness. HUD will award approximately \$72 million in up to 25 participating communities. The deadline for submissions is June 28, 2022. ICH will establish a CoC Youth Advisory Board (YAB) in response to the YHDP NOFO requirements.
- **HACSB Damage Mitigation Program** - Landlords participating in the Housing Authority of the County of San Bernardino (HACSB) Moving to Work tenant-based Housing Choice Voucher programs may request reimbursement for tenant-caused damage beyond normal wear and tear, unpaid rent, and related court costs. HACSB will reimburse landlords for eligible expenses that exceed the tenant's security deposit, up to \$2,500.
- **SBCHP Regional Steering Committee elections** – The current Regional Steering Committee delegates were elected to serve two-years terms in February 2020. Plans are underway to hold elections for new two-years RSC delegate terms in June 2022. RSC delegate seats are open to an equal number of government and non-government representatives of CoC member agencies with service activities located within the Region.
- **SBCHP Homeless Provider Network** – The HPN will hold its 2<sup>nd</sup> **Quarterly All HPN Meeting on Tuesday, April 19<sup>th</sup> from 1-3pm**. All stakeholder partners are encouraged to register for CoC membership through Homeless Provider Network registration, [OHS-HPN-Fillable-Registration-Form.pdf \(sbcounty.gov\)](#)

**West Valley RSC Meeting, 4/13/22 – State Homeless and Housing Program Updates**

- **Homeless Housing, Assistance and Prevention Program (HHAP) Round 3** – The SBC&C CoC was allocated \$3.9 million, and the County was allocated \$3.6 million in HHAP Round 3 funding. OHS submitted the Standard Agreement to Apply for HHAP Rd 3 funds in October 2021 and has received an initial 20% disbursement of the CoC funding (\$780k) which is to be used to complete the required Local Homelessness Action Plan and fund system improvements including capacity building and workforce development for local service providers, investing in data systems (including HMIS) to meet reporting requirement, and improving coordinated entry systems to eliminate racial bias or to create a youth-specific CES. To receive the remainder of funding, applicants are required to include the following information in the final application due June 30, 2022: a completed narrative template, a Local Homelessness Action Plan and approved outcome goals, that have been agendaized at a regular meeting of the ICH, and received public comment, before being submitted to CA ICH.
- **Encampment Resolution Funding Program** – The County of San Bernardino was awarded \$1,787,998 in funding to engage 150 individuals living in encampments, with 30% becoming stably housed and 60% connected to services (40% will identify as Black, Indigenous or a person of color). The territory prioritized for this effort include encampments located along the Santa Ana Riverbed area from City of Redlands to the county border w-Riverside and the Mojave Riverbed area starting within the City of Victorville near the 15-freeway corridor.
- **Family Homelessness Challenge Grant** – Cal ICH released the Request for Applications (RFA) for the Family Homelessness Challenge (FHC) Grant Program. The FHC program provides \$40 million in competitive grants and technical assistance to local communities to promote rapid innovation, accelerate nascent programs, and expand promising practices to create scalable solutions that can be shared across the state to address and ultimately end family homelessness. Cal ICH will fund innovative applications from local jurisdictions (cities & counties) and Continuums of Care (CoCs) that accelerate efforts to address and end family homelessness by making families' experiences of homelessness rare, brief, and one-time. Applications are due by April 30<sup>th</sup>.
- **State Announces Two Programs for Current or Future California Homeowners** – The state of California announced two programs to help Californians become homeowners or to remain homeowners – a program to provide forgivable loans to homebuyers for up to ten percent of the purchase price, and the approval more than \$67 million in grant funding for 33 **CalHome Program** projects located across California – projects that will ultimately support low- and very low-income households so they can become or remain homeowners. **Forgivable Equity Builder Loan**, which helps homebuyers with a loan of up to 10 percent of the purchase price, which is forgivable after five years in the home, making homeownership more attainable for Californians.
- **Homeless Innovative Programs Grant** – The California Department of Education's (CDE) Integrated Student Support and Programs Office announced the release of the Homeless Innovative Programs Grant Request for Application (RFA). The CDE is accepting applications from school districts, county offices of education, and charter schools, to implement a Homeless Innovative Programs grant, aligned with the provisions of the McKinney-Vento Homeless Assistance Act to improve the educational stability, access, support, and academic achievement of children and youth experiencing homelessness. Grantees will receive up to \$450,000 total for the two-year grant period. For any questions, please email [HERFA@cde.ca.gov](mailto:HERFA@cde.ca.gov)
- **Homekey funding** – The City of Redlands was awarded \$30 million in Homekey Funding for a motel conversion to create 99 units of affordable permanent housing. To date, CA HCD has awarded over \$832 million (out of \$1.45 billion) for 49 projects to create 2,963 housing units with Homekey Round 2 funding. Completed applications will be accepted on a rolling basis until funds are exhausted or May 2, 2022, whichever comes first. [Front page | Homekey \(ca.gov\)](#).

### Maximizing the Roles and Responsibilities of California's Continuums of Care (CoCs)

- Forging an unprecedented partnership between CoCs and State government, counties, cities, and community stakeholders is timely
- [Recently approved and proposed legislation and budgeted funding](#) provides State government with an opportunity to weave together an unprecedented homelessness strategy that builds upon existing actions and plans
- Maximizing the extensive and influential roles and responsibilities of CoCs would further their current supportive actions and create new supportive opportunities to include in an unparalleled statewide homelessness strategy

The extensive and influential roles and responsibilities of California's CoCs support several current actions taken by the State to solve statewide and local homelessness that involve 1) local Homeless Management Information Systems (HMIS); 2) State's Homeless Data Integration System (HDIS); 3) Coordinated Entry Systems (CES); and 4) annual homeless counts.

Unprecedented dialogue should occur between State government and CoC leaders to shape and implement an unparalleled homelessness strategy. Various state agencies, departments, and councils have encouraged dialogue with CoCs. However, the ICH has been tasked with implementing a unique dialogue between State government and CoC leaders.

## CALIFORNIA Affordable Housing Needs Report 2022

**California  
Housing  
Partnership**  
California's Experts on Affordable  
Housing Finance, Advocacy & Policy

### KEY FINDINGS

1. Although California has more than doubled production of new affordable homes in the past 3 years, the State is only funding 16% of what it needs to meet its goals.
2. Renters need to earn 2.8 times the state minimum wage to afford average asking rent in California, which increased by 11% since last year.
3. Half of California's 6 million renter households are lower income, with more than 1 million extremely low-income renter households.
4. Only 10% of renter resources from the State are permanent/ongoing compared to 99% of the support for homeowners.

### HOW POLICYMAKERS CAN HELP

"The housing affordability crisis is undermining the California Dream for families across the state and threatens our long-term growth and prosperity. Making a meaningful impact on this crisis will take bold investments, strong collaboration across sectors, and political courage from our leaders and communities to do the right thing and build housing for all."

—Governor Gavin Newsom - September 2021

## Statewide Housing Plan Envisions Safe and Stable Housing for all Californians

The California Department of Housing and Community Development (HCD) recently released the [California Statewide Housing Plan](#), which describes the vision to ensure every Californian has a safe, stable, and affordable home. After decades of underproduction coupled with exclusionary policies, California’s housing supply is drastically behind need while housing costs continue to soar.

These effects are deeply felt by renters and owners across the state who are burdened by high costs leading to one-third of Californians being unable to afford their home. Black, Indigenous and People of Color, immigrants, young people, elderly, low-income households, families with children and people with disabilities are disproportionately impacted by housing unaffordability -- requiring individuals and families to make choices between paying for housing, food, health care, childcare, and transportation.

The Statewide Housing Plan describes the immediate need for action, identifies steps the state and local governments are currently taking to address California’s housing problem, and provides short-term and long-term strategies to address these problems:

Per the Statewide Housing Plan, the state will work towards the following objectives over the next 10 years:

- (1) **Keep Californians in their Homes**; by preserving existing affordable housing with financial support to residents, anti-eviction measures, and affordable housing preservation laws to protect renters.
- (2) **Produce More Affordable and Climate-Smart Housing**; by increasing supply of housing at all affordability levels throughout the state and target production in most needed places without displacing existing residents and producing housing that is climate resilient with sustainable building strategies.
- (3) **Continue to Act with Urgency to Address Homelessness and Housing Need**; by connecting people with affordable housing and services faster, eliminating barriers that cause delays in affordable housing funding allocations or housing construction, strengthen commitments of partners, and increase breadth of stakeholders to eradicate homelessness.

**California Statewide Housing Plan** [Submit feedback](#)

**Data Dashboard** [Learn about the Statewide Housing Plan](#)

The Statewide Housing Plan lays out a vision to ensure every Californian has equitable access to a safe, stable, and affordable home. It identifies three objectives through which we can achieve a more affordable and equitable California:

- 1. Keep Californians in their homes**
- 2. Produce more affordable and climate-smart housing**
- 3. Continue to act with urgency to address homelessness and housing need**

The Statewide Housing Plan Data Dashboard provides detailed data on housing conditions and costs, households and their housing needs, and housing production. The dashboard provides the option to view data at the state, county, and metropolitan statistical area (MSA) level. The Data Dashboard is pursuant Health and Safety Code Section 50450.
