Sample Reporting Period 10/1/2023 to 10/31/2023

## PROGRAM INFORMATION

Agency Name: **Water of Life Community Church**

Type	0 days	1-3 days	4-6 days	7-10 days	11+ days	Average
<b>Entry Timeliness</b>	31	4	0	0	6	3
<b>Exit Timeliness</b>	6	6	0	0	3	3

This report calculates the difference between the program entry date specified for the client and the date the client's application was entered into the system. For example, if a client's Program Entry date of "April 4, 2016" was recorded on "April 9, 2016," then the report would calculate a 5-day lag time in recording data. The report groups the number of applications by program and has 5 buckets for the number of days an application has been lagging.

**HUD Policy:** Data entry should be current within 5 business days of intake, exit, and service provision.
