### Introduction of ICH Member

Date April 26, 2023

Presenter Jessica Alexander, Chair

New ICH Member Diana Alexander

#### Biography

Diana Alexander serves as Assistant Executive Officer to the CEO for the County of San Bernardino. She is responsible for multiple county departments consisting of 1000s of employees. Diana's staff utilizes a budget of over a billion dollars to provide vital services to residents countywide. Diana also oversees the Equity work that the county committed to as part of the Board of Supervisor's resolution declaring that racism is a public health crisis. In addition, she serves as facilitator for the Countywide Vision Leadership Team and partners with various community stakeholders in launching initiatives to make the vision a reality.

Diana has 30 years of service with the County and over that time she promoted up from an entry-level position to her current role. During her county career she has been responsible for countywide employee training & development, strategic planning, self-sufficiency, early childhood education, museums, libraries, parks, airports, elections, agriculture, economic and workforce development, public works, real estate, purchasing, code enforcement, behavioral health, child welfare, Veteran services, county fleet, services for senior citizens, community development & housing, and homelessness programs.

Diana has received numerous awards and accolades including the Public Service Award for Excellence, the American Society for Public Administration Rising Young Administrator, the 2020 County Women's Network "Extraordinary Woman," and San Bernardino County Association of African American Employees "County Trailblazer" awards. She also received a resolution from the San Bernardino County Board of Supervisors for her work in partnering with California State University San Bernardino in establishing a Master's in Public Administration Cohort for county employees. Diana has an associate degree in Liberal Arts from San Bernardino Valley College, and a bachelor's and master's degree in Public Administrative, both from CSUSB, where she has taught as a Public Administration graduate school adjunct professor. She is the proud parent of four children, two daughters-in-law, one son-in-law, and 5 grandchildren.

RE: Appointment of Interagency Council on Homelessness  
Assistant Executive Officer of Human Services

Dear Ms. Alexander,

Due to the recent San Bernardino County (County) reorganization, I am appointing Diana Alexander, Assistant Executive Officer, on the Interagency Council on Homelessness (ICH) designated position effective immediately.

I believe Diana's years of public service and engagement in the community will help contribute to the success of the Continuum of Care governing board.

Thank you for your continued work and partnership.

Respectfully,

LEONARD X. HERNANDEZ  
Chief Executive Officer  
San Bernardino County

Cc: Diana Alexander, Assistant Executive Officer Department Operations

### BOARD OF SUPERVISORS

COL. PAUL COOK (RET.)  
Vice Chairman, First District

JESSE ARMENDAREZ  
Second District

DAWN ROWE  
Chair, Third District

CURT HAGMAN  
Fourth District

JOE BACA, JR.  
Fifth District

Leonard X. Hernandez  
Chief Executive Officer

		<ul style="list-style-type: none"> <li>No Public Comments were made.</li> </ul>
NEW MEMBERS	PRESENTER	ACTION/OUTCOME
Introduction and Bios of New ICH Members	Jessica Alexander, Chair	<p>The Chair welcomed new members to the ICH Board and gave each an opportunity to address the Board.</p> <p>New ICH board members: Jesse Armendarez, Second District Supervisor (County Board of Supervisors); Mayor Acquanetta Warren, (alternate for Second District Supervisor Jesse Armendarez, was not in attendance and will be formally introduced at a later date), and Diana Atkeson-Deputy Executive Officer (alternate for Community Revitalization Operations Chief Stephanie Bruce).</p> <p>Jesse Armendarez, Diana Atkeson, and Diana Alexander gave the following brief introduction:</p> <ul style="list-style-type: none"> <li>Jesse Armendarez – Informed the board that he is looking forward to getting engaged with this process and to see how we can eradicate homelessness.</li> <li>Diana Atkeson – Informed the board she joined Community Revitalization in mid-December. Stated she is thankful to be a member and looks forward to working very closely with the group. Mrs. Atkeson came to the Inland Empire when she was 13 years old as a teen mother. This group is very personal to her because she</li> </ul>

		<p>could've ended up homeless if it weren't for social workers and people like the members of the council who are out in the community to assist people that are in similar situations that she was once in at that time.</p> <ul style="list-style-type: none"> <li>• Diana Alexander- Informed the board that it is great to be involved with the mission to do what we need to do to change homelessness. Stated that the resources are available to achieve the goal so now is the time. Mrs. Alexander wants to help be a part of the process and assist the group be all that it can be.</li> </ul>
CONSENT	PRESENTER	ACTION/OUTCOME
<p>Approve Minutes of the February 22, 2023, ICH Meeting</p> <p>Ratify the action of the Chair to Approve a Letter of Support to the City of Victorville for their application to obtain Encampment Resolution Funds (ERF) from the State of California Business, Consumer Services and Housing.</p>	<p>Jessica Alexander, Chair</p>	<p>The Chair requested a motion to be made for the consent calendar portion of the agenda.</p> <p>Supervisor Baca made a motion to approve the consent calendar and was second by Jerry Gutierrez.</p> <ul style="list-style-type: none"> <li>• A roll call vote was taken. 18 members were in favor: Supervisor Baca, Supervisor Armendarez, Erika Lewis-Huntley, Council member Ibarra, Council member Schooler, Antoinette Jackson, Jerry Gutierrez, Shonie Perry, Stephanie Bruce, Diana Alexander, Michael Knight, Becky Murillo, Sharon Green, Don Smith, Jessica Alexander, Susan Buckley, Astrid Johnson, Ruben Mendoza.</li> <li>• 0 members were opposed.</li> <li>• Absent: Quinton Page</li> </ul> <p>The consent calendar was approved.</p>
INFORMATION SHARING	PRESENTER	
<p>Inland Empire Health Plan Housing &amp; Homeless Incentive Program (HHIP) Update</p>	<p>Ben Jauregui, Housing Manager, Inland Empire Health Plan</p>	<p>The Chair recognized Ben Jauregui, on behalf of Inland Empire Health Plan to provide an update on the Inland Empire Health Plan Housing &amp; Homeless Incentive Program (HHIP).</p> <p>The Chair opened the item for comment by the ICH Board members.</p> <p>Discussion ensued:</p> <ul style="list-style-type: none"> <li>• Shonie Perry -Where does education fall into the HHIP investment area because unaccompanied homeless youth will not be able to have adult consent and will IEHP enroll the youth? <ul style="list-style-type: none"> <li>○ Mr. Jauregui- IEHP will have expanded network of providers to assist with this. IEHP does not enroll individuals directly but provides them with direct resources to enroll. There are no age restrictions to enroll in IEHP if they have Medi-cal.</li> </ul> </li> <li>• Astrid Johnson – During the street outreach there has been contact made with numerous clients who have been discharged from the local hospital in Joshua Tree that are homeless, but still need medical services. Would number ten Community Support on the HHIP Investment Areas handout address this issue? <ul style="list-style-type: none"> <li>○ Mr. Jauregui – They do provide recuperative care sites which the nearest one to Mrs. Johnson is in Indio. The clients would be able to stay for up to three months and after that could transition to short term post hospitalization housing which they could stay up to six months. The nearest</li> </ul> </li> </ul>

		<p>location is in Riverside. More vendors are needed for assistance.</p> <ul style="list-style-type: none"> <li>• Don Smith- Thank you Mr. Jauregui for joining us and announcing on the website the opportunity for community support. Mr. Smith is eager to move on the connections with CES and HMIS with IEHP.</li> <li>• Jerry Gutierrez- What is IEHP doing for the untreated mental health individuals to get them off the street and is there data collected of the individuals referred to the Department of Behavioral Health? <ul style="list-style-type: none"> <li>○ Mr. Jauregui- The street medicine team goes out into the field and provide services and connects individuals with services. There are currently no finalized contracts with the street provider, so no data is available currently.</li> </ul> </li> <li>• Supervisor Baca- Stated that the challenge will be getting the homeless assigned to healthcare providers.</li> <li>• Council member Ibarra- Will the street team conduct frequent follow ups to ensure that the individuals are taking their medication as prescribed? <ul style="list-style-type: none"> <li>○ Mr. Jauregui – The street team will assist with immediate needs and assist them to have a direct relationship with their physician.</li> </ul> </li> <li>• Erika Lewis-Huntley- Stated it is key to get more vendors and operators to partner with IEHP. Victorville has partnered with IEHP. She has seen that the street outreach team has established relationships with the individuals that have mental illness and have been able to frequently follow up with them to successful connect them to the correct resources.</li> <li>• Jessica Alexander- Stated we need to keep in mind the various resources available and working together and sharing data is crucial in ensuring that things flow appropriately. <ul style="list-style-type: none"> <li>○ Mr. Jauregui – Agencies need to be linked so they can utilize the IEHP services. To get the quickest responses possible, have the member contact the housing team directly to get immediate assistance. There are certain criteria necessary to qualify for those services. The phone number for IEHP is 1-800-440-4347.</li> </ul> </li> <li>• Sharon Green – Stated we need to work together as one and work in unity.</li> <li>• The chair thanked Mr. Jauregui for his presentation. The Office of Homeless Services sent out a HHIP volunteer call out for three subgroups and there has been a lot of interest. The volunteer call out will close tomorrow so if you are still interested email OHS at HomelessRFP and inform them which subgroup you are interested in. A copy of the power point presentation was given to each member of the committee and a copy will be posted later today on the website for the public.</li> </ul>
Homeless Housing Assistance & Prevention (HHAP)-2 Set Aside funds for Coordinated Entry System (CES) Update	Tom Hernandez, Office of Homeless Services	<p>The Chair recognized Tom Hernandez, on behalf of the Office of Homeless Services to provide an update on Homeless Housing Assistance &amp; Prevention (HHAP)-2 Set Aside funds for Coordinated Entry System (CES)</p> <p>Tom Hernandez stated that last year the ICH made a recommendation for OHS to release a request for application for HHAP-2 funds. There was a sit aside that was made for CES in the amount of \$72,000. Unfortunately, we didn't receive an application from the sole agency who can administer it. We are asking to send it back to the standing committee for their review and recommendations.</p> <ul style="list-style-type: none"> <li>○ Chair- We will be utilizing and activating more of our committees. When there is a volunteer call out, please respond as soon as possible so we can coordinate the committees and get to work on</li> </ul>

		<p>the project. Thank you to the regional co-chairs from the cities and the community-based organizations for working expeditiously to get this standing committee coordinated.</p> <ul style="list-style-type: none"> <li>Don Smith- Mentioned when the HHAP-2 distribution plan was adopted on December 17, 2021, it was voted that five percent of the funds be set aside to fund to support regional coordinated entry system activities. Noted that a trend was to be set that all funding coming through that requires CES connection should have a portion set aside for CES infrastructure.</li> </ul>
Coordinated Entry System (CES) Policy Ad Hoc Committee Report Update	Dr. Pat Leslie on behalf of Continuum of Care (CoC) Ad Hoc Committee Policies and Procedures	<p>The Chair recognized Dr. Pat Leslie, on behalf of the Coordinated Entry System (CES) Policy Ad Hoc Committee to provide an update on the Coordinated Entry System (CES) Policies and Procedures.</p> <p>Dr. Leslie stated that last month the ICH Ad Hoc committee on CES policy adjustments provided a report and referenced the updated policy document for use by the standing committee. Today that working document was submitted for use by the standing oversight committee but will require changes. Thanked the CES review committee and the CES Policy Ad Hoc Committee.</p> <ul style="list-style-type: none"> <li>Don Smith- Thank you to Dr. Leslie for all the work you have assisted the committee with. The guidelines still need work, so the work is far from done. Stated looking forward to our CES lead taking a more aggressive role. Informed that Kimberly Stars is the new CEO and President of CES, and they have hired a new CES Project Manager.</li> </ul>
<b>PRESENTATION</b>	<b>PRESENTER</b>	<b>ACTION/OUTCOME</b>
Youth Advisory Board (YAB) presentation	Eunice Abel, YAB Chair and Ruben Mendoza, ICH Youth Representative	<p>A PowerPoint presentation was submitted about what YAB's mission and vision are, and the type of community partnerships that are involved in the program. Ms. Abel and Mr. Mendoza stated who is eligible to be part of YAB and the incentives for being a part of the YAB. The presentation displayed future endeavors that the YAB would like to see happen.</p> <p>The Chair thanked Ms. Abel and Mr. Mendoza for their presentation.</p> <p>Due to time the Chair asked that Ms. Abel and Mr. Mendoza stay after the meeting so the board can directly network with them and voice any questions and/or comments.</p>
<b>DISCUSSION/ ACTION ITEM</b>	<b>PRESENTER</b>	
Approve the allocation of \$78,037.50 in HHAP-3 initial disbursement funding to the Family Assistance Program (FAP) for the provision of youth-related services for Youth Advisory Board (YAB) stipends and the development and planning of youth coordinated entry	Tom Hernandez, Office of Homeless Services on behalf of the HHAP-3 Implementation and Oversight Committee	<p>The Chair recognized Tom Hernandez, from OHS to present on behalf of the HHAP-3 Implementation and Oversight Committee recommending allocation of \$78,037.50 in HHAP-3 initial disbursement funding to the Family Assistance Program (FAP) for the provision of youth-related services for Youth Advisory Board (YAB) stipends and the development and planning of youth coordinated entry system recommendations.</p> <p>Tom Hernandez stated it was originally passed by ICH in June of 2022 for the initial disbursement. The HHAP-3 implementation oversight Ad Hoc committee recommended that since the youth advisor board is administered by the family assistance program in the High Desert that they support them as well and allocate these funds directly to the</p>

<p>system recommendations.</p>		<p>family assistance program for them to administer it. Mr. Hernandez recommends that the \$78,037.50 go to FAP.</p> <p>Council Member Ibarra made a motion to approve item 8 and was second by Supervisor Baca.</p> <p>The Chair opened the item for comment by the ICH board members.</p> <p>Discussion ensued:</p> <ul style="list-style-type: none"> <li>• Don Smith–Requested clarification that when the initial disbursement was adopted that the ten percent that was agreed upon for the YAB did include the examples of the youth stipend and CES but did not state they were locked in for using the funds for these purposes solely. Mr. Smith stated the YAB should have the opportunity to determine the allocation of those funds within the eligible items. Mr. Smith requested an amendment to remove the specific items stated and allow the YAB to come back with a proposal on how to expend the funds.</li> <li>• The Chair asked Council Member Ibarra if they would like to accept that amendment to their motion. Council Member Ibarra agreed.</li> <li>• The Chair asked Supervisor Baca if his second still stands. Supervisor Baca wanted to clarify that the item will not be presented again later. He second the amendment.</li> <li>• Jessica Alexander-Requested clarification on if there are no specifications on how the funds are to be utilized, how will they be monitored?</li> <li>• Don Smith- Stated that they would have to be utilized for eligible activities under the HHAPP-2 funds and that verbiage can be added to the motion. YAB can work with OHS on a budget to ensure they are all approved items.</li> <li>• Chair paneled making a motion to substitute the new points listed and replace with HHAPP-2 eligible items. <ul style="list-style-type: none"> <li>○ Sharon Green- Request clarification that they will still be compensated, but the wording would be changed.</li> <li>○ Don Smith- Agreed that they will still be compensated, but they will not be defined to just those two specifications.</li> </ul> </li> </ul> <p>The Chair amended the action item to Approve the allocation of \$78,037.50 in HHAP-3 initial disbursement funding to the Family Assistance Program (FAP) for the provision of youth-related services for Youth Advisory Board (YAB) for HHAP eligible items</p> <p>Council Member Sandra Ibarra made a motion to approve item 8 and was second by Supervisor Baca.</p> <ul style="list-style-type: none"> <li>• A roll call vote was taken. 18 members were in favor: Supervisor Baca, Supervisor Armendarez, Erika Lewis-Huntley, Sandra Ibarra, Jim Schooler, Antoinette Jackson, Jerry Gutierrez, Shonie Perry, Stephanie Bruce, Diana Alexander, Michael Knight, Becky Murillo, Sharon Green, Don Smith, Jessica Alexander, Susan Buckley, Astrid Johnson, Ruben Mendoza</li> </ul>
--------------------------------	--	---

		<ul style="list-style-type: none"> <li>• 0 members were opposed.</li> <li>• Absent: Quinton Page</li> </ul> <p>Motion was approved</p> <p>Chair closed item for discussion.</p>
COUNCIL ROUNDTABLE	PRESENTER	
	Jessica Alexander, Chair	<p>The Chair opened public comment and recognized Jolena Grider to make an announcement regarding in person meetings.</p> <ul style="list-style-type: none"> <li>○ Jolena Grider- The Brown Act requires in person meetings for exceptions for just cause, for emergencies. The old telecommuting rules under the Brown Act are now back into effect. Any member who wants to telecommute for meetings will be required to post the agenda 72 hours prior to the meeting at the location they are participating from and will be required to make the location they are participating from open to the public. The agenda must list all locations where members are telecommuting from also.</li> <li>-Forms 700 Statement of Economic Interest are due by April 2<sup>nd</sup></li> <li>-The Conflict-of-Interest Form will be sent out. Please complete it and return it.</li> <li>○ Don Smith- Request clarification about the address being posted for only the voting members and not the public and asked what the penalties are if it were not posted.</li> <li>○ Jolena Grider- Voting members need to be in person or list the location and allow the public to attend. The penalties for not posting include being criminally prosecuted by the District Attorney's Office, if there are any violations of the Brown Act any actions taken could be nullified,</li> </ul> <p>Chair opened the floor for comment to the ICH Board members.</p> <ul style="list-style-type: none"> <li>• Astrid Johnson- Informed that there has been extreme weather in the region, but through the City of Twentynine Palms and a motel owner, they were able to house some of the homeless in the end of February and beginning of March.</li> <li>• Ruben Mendoza-Mentioned he works at Union Station Service Homelessness, and he has been able to get exposed to different affordable housing solutions. Mr. Mendoza proposed that one of the goals should be affordable housing and establish a subcommittee for the ICH.</li> <li>• Susan Buckley- Informed that she represents the mountain area which is in a state of emergency. The collaborative efforts between the Red Cross and the shelters that opened in Rim of the World and Redlands has been a phenomenal help.</li> <li>• Don Smith-Mentioned that there is a standing housing committee. Cal-ICH has a dashboard for the homeless data integration system. For our CoC, from September 2022 to current it states that over 9,000 people accessed our system which was more than the 8,000 from the year prior. The National Low Income Housing Coalition released their gap report on the shortage of affordable homes. Riverside, San</li> </ul>

		<p>Bernardino, Ontario, metropolitan area tied fifth with Los Angeles for the most severe shortage of rental homes. The California Housing Partnership released their annual report showing median rent has increased by 38 percent since 2000, while median renter income has increased by 7 percent. Congratulations to FAP on March 10<sup>th</sup> they had their groundbreaking ceremony for the new tiny home village for transitional age youth. Thank you to San Manuel Band of Mission Indians and various officials for contributions and attending the groundbreaking events. On March 15<sup>th</sup>, Time for Change Foundation had a grand opening for their Black and Brown Opportunities for Profit (BBOP) center. On March 16<sup>th</sup> there was the unveiling of Step-Up San Bernardino which resulted in 76 units and Step-Up Redlands was recently opened with 98 units. A shared housing training with over 100 participants took place earlier this month. A stakeholder's survey was sent out as part of the Ad Hoc Governance Committee effort to rebuild our CoC structure. Please respond to the survey if you received it and if you did not, please reach out to OHS to get one. 211 also does Medi-Cal enrollment.</p> <ul style="list-style-type: none"> <li>• Pastor Green- Stated glad to see the county come together to see how better we can serve those in need. Mentioned that we are glad to see Pastor Alexander at the meeting and our prayers and support are with her.</li> <li>• Shonie Perry- Mentioned San Bernardino County Superintendent of Schools Children Deserve Success will be taking 21 youth to the YES conference for sub advocacy.</li> <li>• Supervisor Baca- Welcomed Diana Alexander back. Mentioned that he met with madame chair Alexander, and she wanted to ensure that the county has a better partner with ICH. She shared concerns about the legislative updates. Thanked IEHP and Molina for their contributions to the county.</li> <li>• Diana Alexander- Thankful to be in attendance and the support given. She mentioned her desire is to create a better collaboration between the County and ICH.</li> <li>• The Chair- Mentioned next month the meeting will be conducted at a new location. It will be held at Dorothy Inghram Learning Center at 670 E Carnegie Dr. San Bernardino, CA 92408. Thanked the Vice-chair Martha Zepeda for her commitment and partnership to ICH. Thanked all the staff at OHS and IT for helping prepare and assist with ICH. Thanked the host and assistant manager at TAD Caesar Lamar for his assistance with the facility. Thank you to the committees that have restarted in person meetings.</li> </ul>
<b>Adjournment</b>		<ul style="list-style-type: none"> <li>• Being no further business, the meeting was adjourned at 10:46 a.m.</li> </ul>
<b>Next Meeting</b>		<p>The Next ICH Meeting will be held on:</p> <p style="text-align: center;"> <u><b>ICH Meeting (Regular) In Person</b></u>  <u><b>Wednesday, April 26, 2023</b></u>  <u><b>9:00 am – 11:00 am</b></u>  <u><b>Address: Dorothy Inghram Learning Center</b></u>  <u><b>670 E. ### Continuum of Care Competition Awards Announcement

On Tuesday, March 28, 2023, the U.S. Department of Housing and Urban Development (HUD) announced the fiscal year (FY) 2022 Continuum of Care (CoC) Homeless Assistance Grant competition awards for renewal, planning, and bonus projects. The CA-609 San Bernardino City and County CoC was awarded \$14,808,627. We did not receive a bonus project this year but received the full amount of funding for the project straddled into Tier Two. The following is a list of renewal agencies and the total award received:

Organization Name	Project	Award
County of San Bernardino	FY 2022 Planning Grant	\$431,319
County of San Bernardino	FY 2022 San Bernardino HMIS Renewal	\$250,158
Family Assistance Program	DV Coalition	\$2,352,206
Housing Authority of the County of San Bernardino (HACSB)	Cornerstone	\$3,633,423
HACSB	Lantern Woods	\$186,134
HACSB	Laurelbrook Estates	\$443,004
HACSB	Project Gateway	\$228,918
Inland Southern California 211+	Coordinated Entry System	\$403,136
Inland Housing Solutions	Infinite Horizons - RRH FY 2022	\$581,602
Inland Valley Council of Churches	Hope Partners' Family Stabilization Program	\$170,621
Knowledge, Education for Your Success, Inc.	KEYS For Life	\$281,281
Knowledge, Education for Your Success, Inc.	KEYS For Success	\$341,736
LightHouse Social Service Centers	Hope for Heroes	\$1,003,477
Lutheran Social Services of Southern California	Permanent Housing for Homeless with HIV/AIDS	\$84,696
New Hope Village, Inc.	New Hope, Too! 2022	\$45,843
Step Up on Second Street, Inc.	CA1519 Step Up San Bernardino FY2022	\$2,681,672
Time for Change Foundation	Renewal Project Application FY2022	\$433,560
United States Veterans Initiative	U.S.VETS SB PH Renewal Project Application FY2022	\$1,255,841

Item #4

**Outreach and Coordinated Entry System (CES)  
Standing Committee Report**

---

Date April 26, 2023

---

Presenter Sharon Green, Chair of the Outreach and CES Standing Committee

---

Announcements The table below lists the announcements for today's meeting.

Announcements
<p><b>Outreach and CES Standing Committee Meeting Update</b></p> <p>On April 13, 2023, the San Bernardino County Interagency Council on Homelessness (ICH) Outreach and Coordinated Entry System (CES) Standing Committee met for the first time. Two members from each ICH Regional Steering Committee were selected to participate as voting members of the Standing Committee.</p> <p>Tom Hernandez from the Office of Homeless Services facilitated the initial portion of the meeting providing an overview of the purpose of the Standing Committee and the roles and responsibilities of the Standing Committee members. He then commenced with the election process to identify a Chair, Vice-Chair and Secretary for the Committee. Both Darryl Evey and Sharon Green were nominated by committee members, with Sharon Green receiving the appointment as Chair. Darryl Evey was then nominated for Vice-Chair and was unanimously appointed. The Secretary position was deferred to a future meeting, with the Office of Homeless Services providing support until a secretary can be identified. Secretarial responsibilities include taking meetings, posting the agenda in accordance with the Brown Act and helping to facilitate the meeting.</p> <p>Tom Hernandez provided an overview of the Homeless Housing, Assistance and Prevention (HHAP) Round 2 set-aside for the CES. A discussion was held on how to allocate these funds given an application was not initially received or vetted by the ICH. A recommendation will be brought back to the May meeting in order to purpose the funds. The Committee will vote in May to include these funds as part of the California Emergency Solutions and Housing (CESH) funding recommendations made by ICH in February of this year.</p> <p>The Standing Committee voted that meetings will occur the second Thursday of each month from 10:00 am to 11:00 am at rotating sites from each of the five regions. The City of Victorville will host the next meeting of the Outreach and CES Standing Committee on May 11, 2023. Details will be sent out with the future agenda.</p>

# Coordinated Entry System Regional Access

Summary of CESH Funding Usage

## Proposal

- CESH funding will be utilized in the creation and implementation of the “Regional Access for Coordinated Entry.”
  - The regional access project will represent the 5 regions in San Bernardino County (High Desert, Mountains, Central Valley, West Valley, and Morongo Basin)
  - Regional access locations will be identified through a Request for application (RFA)
  - 211 contact center will support regional access points allowing for multiple access modalities and creating options for clients in San Bernardino County
- Virtual platform to access clients, verify homelessness and connect directly to lead agency (Inland Southern California 211+). The virtual platform will assist in moving clients from outreach to housing placement.
  - Bitfocus to design virtual platform.
    - Increase accessibility to Coordinated Entry System
    - Training and preparing community (hospitals, faith-based, NGO’s, government) to utilize the virtual platform.
    - Inventory of availability
- Contact center support
  - Conduct prescreening, intake, assessment, and diversion for clients.
  - Referrals to participating organizations.
  - Support to regional access points

## Budget for CESH

Proposed CESH spending for CES Support		
Item	Cost	
<b>Tech</b>		
<i>Bitfocus module to include master list and inventory modules</i>	\$ 150,000.00	
<b>Implementation of Regional Access Points</b>		
<i>Mountain</i>	\$ 49,920.00	
<i>Morongo Basin</i>	\$ 49,920.00	
<i>Central</i>	\$ 149,760.00	
<i>West End</i>	\$ 99,840.00	
<i>High Desert</i>	\$ 99,840.00	
<b>Subtotal</b>	\$ 449,280.00	
<b>Call Center Support</b>		
24 hour call center support to triage calls	\$ 54,139.00	
<b>Total Cost for CES Support</b>	<b>\$ 653,419.00</b>	

# San Bernardino County Homeless Partnership

## Interagency Council on Homelessness

Administrative Office

560 E. Hospitality Lane, Suite 200, San Bernardino, CA 92408-0044

Office: (909) 501-0610

FROM: Erika Lewis-Huntley, Chair of Point and Time Count Committee

SUBJECT: 2023 Continuum of Care (CoC) Homeless Count and Survey Final Report

DATE: April 26, 2023

### RECOMMENDATIONS

Accept the 2023 CoC Homeless Count and Survey Final Report for CA-609 San Bernardino City and County CoC, and authorize the submission of the data to the U.S. Department of Housing and Urban Development (HUD) through the Homeless Data Exchange.

### BACKGROUND INFORMATION

The Point-in-Time Count (PITC) is a count of sheltered and unsheltered people experiencing homelessness on a single night in January. The PITC must be conducted during the last 10 days in January and include those who were sheltered and unsheltered during that period. HUD requires that Continuums of Care (CoC) conduct an annual count of people who are sheltered in emergency shelters, transitional housing, and Safe Havens on a single night. Continuums of Care must also conduct a count of people who are unsheltered every other year (odd numbered years), however, our CoC has elected to conduct annual counts. Each count is planned, coordinated, and carried out locally.

This year, our CoC governing board selected January 26, 2023, to conduct the PITC. The following report (Item #6a) is submitted for consideration and acceptance by the Interagency Council on Homelessness (ICH).

The PITC is conducted under a HUD recommended approach and methodology. CoCs must ensure that during the PITC, individuals experiencing homelessness are only counted once. It is critical that the counting methods be coordinated to ensure that there is no double-counting. Therefore, CoCs must also collect sufficient information to be able to reliably de-duplicate the PITC (i.e., ensure that the same person was not counted more than once). The CoC uses a HUD promoted de-duplication effort and coordinates with the County's Innovation and Technology Department to ensure the data are non-duplicated.

PITCs are a critical source of data on the number and characteristics of people who are homeless within the region. Data are used to measure homelessness within municipalities and unincorporated areas, to provide information to the general public on the nature and extent of homelessness, and to be used by decision makers to make informed decisions regarding policy development and directed allocation of local resources. Having reliable local data on homelessness can also play a critical role in raising public awareness of the challenges facing people who are experiencing homelessness and bolster efforts to garner additional public and private support. Data are also used by HUD to evaluate the progress CoCs are making to reduce homelessness within various target populations. HUD reviews data for validity and reliability from CoCs, and the data can influence scoring factors in the annual HUD CoC Program Competition.

# **San Bernardino County Continuum of Care 2023 Point-in-Time Count and Survey: An Overview**

# Comparison of 2022 and 2023 Homeless Counts

	Sheltered	Unsheltered	Total
2022 Homeless Count	944	2,389	3,333
2023 Homeless Count	1,219	2,976	4,195
Difference:	+275 (+29.1%)	+587 (+24.6%)	+862 (+25.9%)

The following chart shows that the number of persons counted as unsheltered and sheltered was 2,118 in 2018 and 4,195 in 2023, which represents an increase of 2,077 persons or 98.1%.

In 2023, more than three-fourths (76.9%) or 3,226 of the 4,195 homeless adults and children were counted within seven cities.

Jurisdiction	Sheltered		Unsheltered	Total
	Shelter	Transitional Housing		
County	772	447	2,976	4,195
Barstow	42	24	88	154
Colton	62	0	150	212
Fontana	0	0	240	240
Ontario	69	11	107	187
Redlands	29	51	244	324
San Bernardino	276	209	1,017	1,502
Victorville	219	71	317	607
Total:	697	366	2,163	3,226

## 2023: Unsheltered Adults

Adults	#	%
Age 18 – 24	150	5.1
Age 25 – 34	649	22.0
Age 35 – 44	773	26.2
Age 45 – 54	663	22.5
Age 55 – 64	554	18.8
Age 65+	159	5.4
Total:	2,948	100

## 2023: Unsheltered Unaccompanied Children

Of the 11 unaccompanied children, slightly more than half (55%) were age 17, and slightly less than half (45.5%) were age 16.

Unaccompanied Children Under Age 18	#	%
Age 16	5	45.5
Age 17	6	55.5
Total:	11	100

# 2023 Unsheltered Subpopulations

Subpopulations:	#	%
Chronically Homeless Adults	1,300	44.1
Families including Chronically Homeless Families* <i>(11 families consisted of 14 adults and 17 children; four families consisting of four adults and five children were chronically homeless)</i>	11	--
Persons with HIV/AIDS	35	1.2
Persons with Mental Health Problems	646	21.9
Substance Users	929	31.5
Veterans	203	6.9
Experiencing homelessness due to Fleeing Domestic Violence, Dating Violence, Sexual Assault, or Stalking	268	9.1

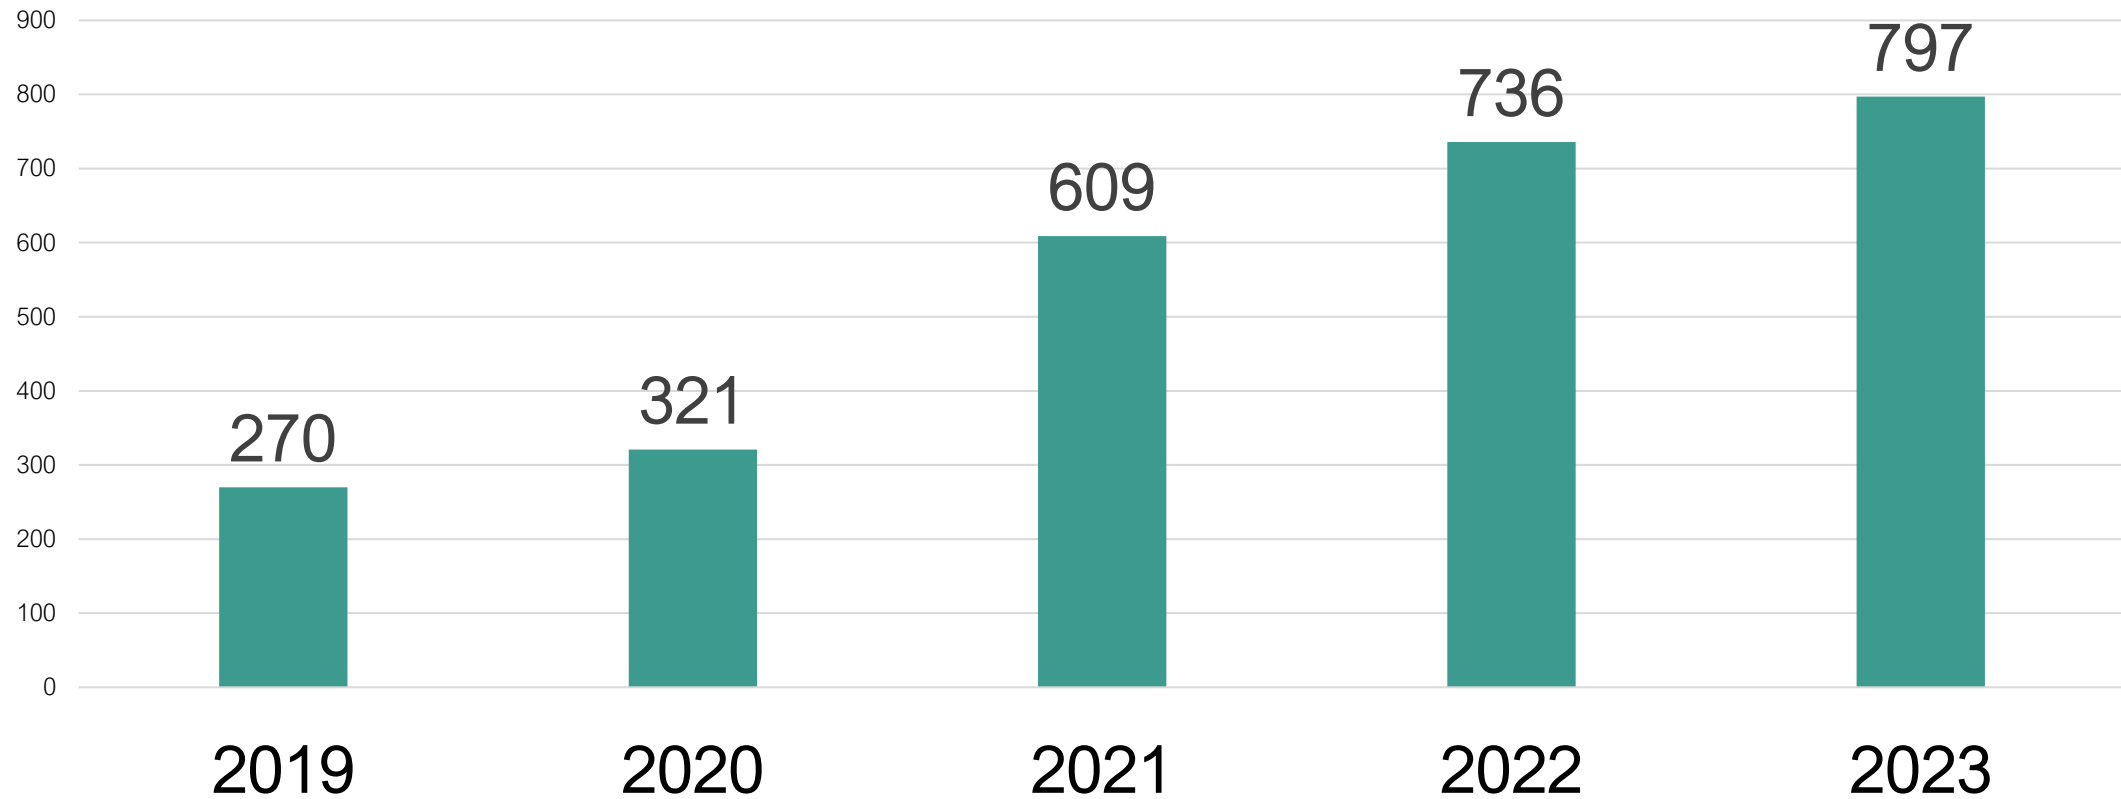

## 2023: Other Findings

1. More than one-third (39.9%) of unsheltered adults and children counted as homeless became homeless for the first time during the 12 months prior to the homeless count.
2. Nearly one-third (32.1%) of unsheltered adults stated “City of San Bernardino” when asked, “What city did you first become homeless?”
3. Nearly one-fourth (22.9%) of unsheltered adults answered “Yes” when asked if they had been incarcerated during the past 12 months.
4. Nearly two-thirds (63%) of unsheltered adults answered “No income” when asked to state their monthly income.

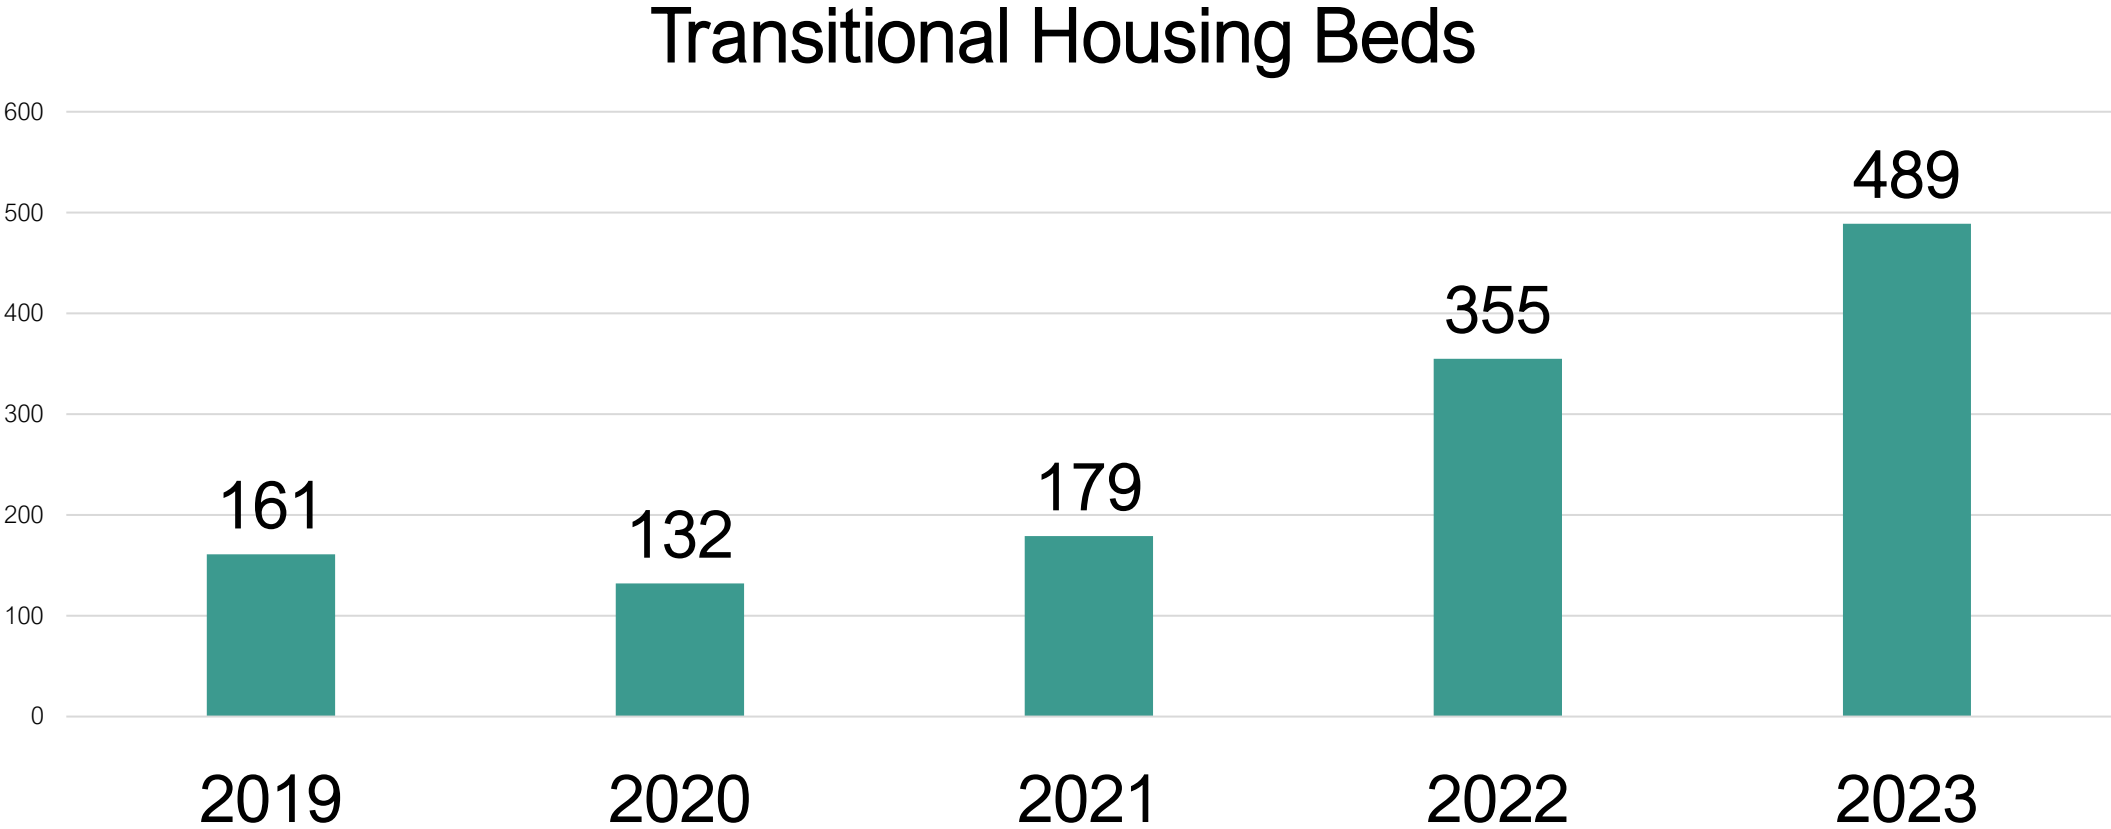

The number of year-round shelter beds increased from 270 in 2019 to 797 in 2023, representing an increase of 527 beds or nearly 200%.

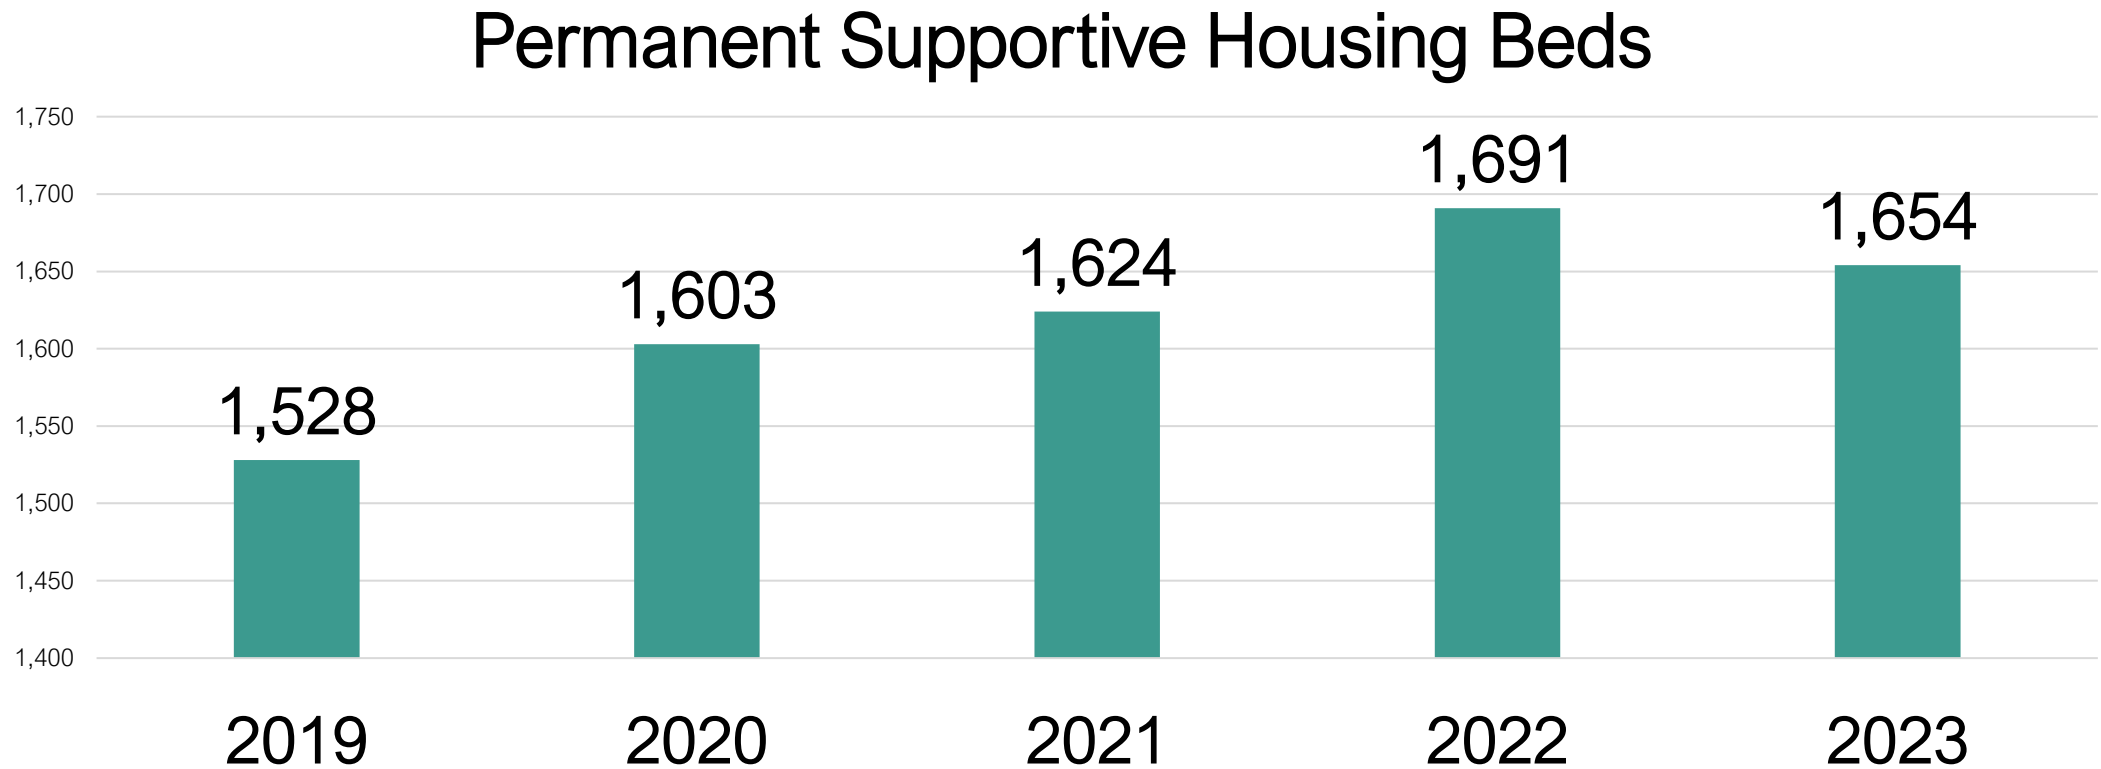

## Year Round Shelter Beds

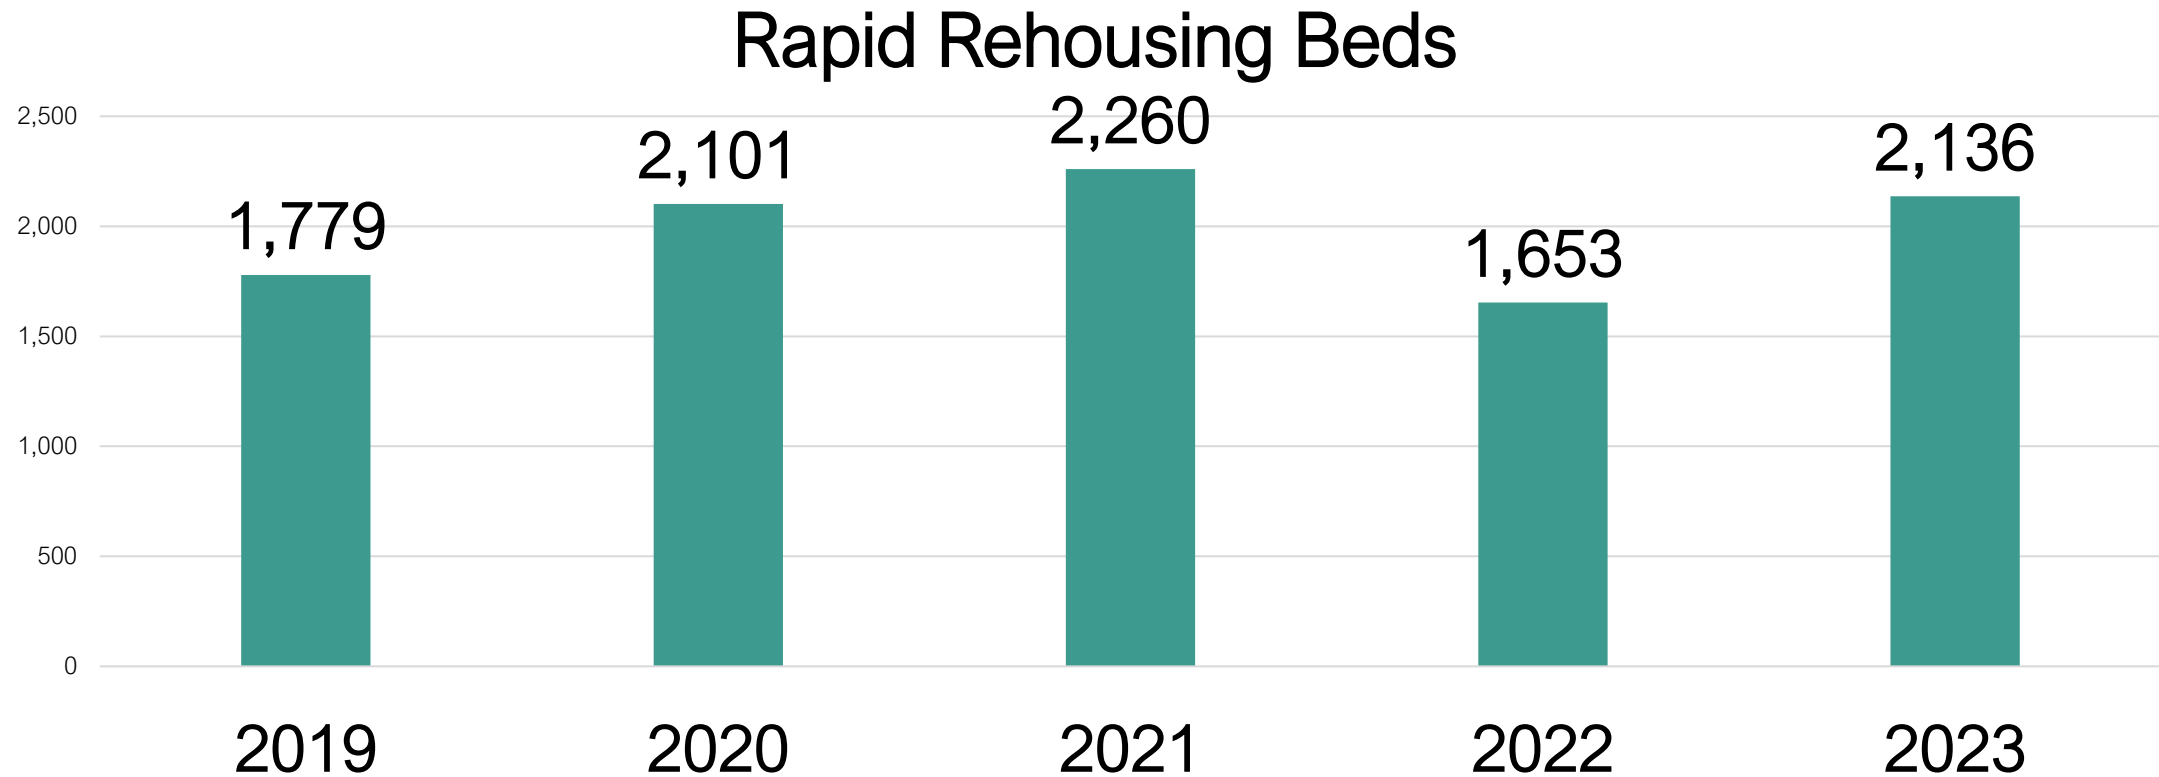

The number of transitional housing beds increased from 161 in 2019 to 489 in 2023, representing an increase of 328 beds or approximately 200%.

The number of permanent supportive housing beds increased from 1,528 in 2019 to 1,654 in 2023, representing an increase of 126 beds.

The number of rapid rehousing beds increased from 1779 in 2019 to 2136 in 2023, representing an increase of 357.

## Acknowledgements

The San Bernardino County Homeless Partnership wishes to thank all the individuals and organizations that contributed to the preparation, implementation, and success of the 2023 Point-In-Time Count and Subpopulation Survey. Such an endeavor would not be possible without the collaboration and efforts of volunteers, community groups, faith- and community-based organizations, county departments, city representatives and staff, homeless service providers, law enforcement and elected officials. Your hard work, time, and dedication to ending homelessness are greatly appreciated.

- Special thanks to the 583 community volunteers from across San Bernardino County who canvassed areas identified as “green count zones” the morning of January 26, to complete the 2023 Point-In-Time-Count and Subpopulation Survey.
- Special thanks to the following agencies and community organizations that contributed staff time, support and resources, and office space for planning, training, and development activities to help make the 2023 Point-In-Time Count and Subpopulation Survey a success:

## Executive Summary

There were 4,195 adults and children who were counted as homeless during the 2023 Point-in-Time Count and Survey. The previous point-in-time homeless count and survey was completed in 2022 during which 3,333 persons were counted. A comparison of last two counts reveals that

- 862 more persons were counted in 2023, which represents an increase of 25.9%;
- 587 more persons were counted as unsheltered in 2023 when compared to the unsheltered count in 2022, which represents an increase of 24.6%; and
- 275 more persons were counted as sheltered in 2023 when compared to the sheltered count in 2022, which represents an increase of 29.1%.

Table 1. Comparison of 2022 and 2023 Homeless Counts

	Sheltered	Unsheltered	Total
2022 Homeless Count	944	2,389	3,333
2023 Homeless Count	1,219	2,976	4,195
Difference:	+275 (+29.1%)	+587 (24.6%)	+862 (25.9%)

Regarding sheltered homelessness, HUD states that

- CoCs must count all individuals or families who meet the criteria in paragraph (1)(ii) of the homeless definition in 24 CFR 578.3. This includes individuals and families **“living in a supervised publicly or privately operated shelter designated to provide temporary living arrangements (including congregate shelters, transitional housing, and hotels and motels paid for by charitable organizations or by federal, state, or local government programs for low-income individuals)”** on the night designated for the count. This includes individuals residing in Safe Haven projects.

Regarding unsheltered homelessness, HUD states that

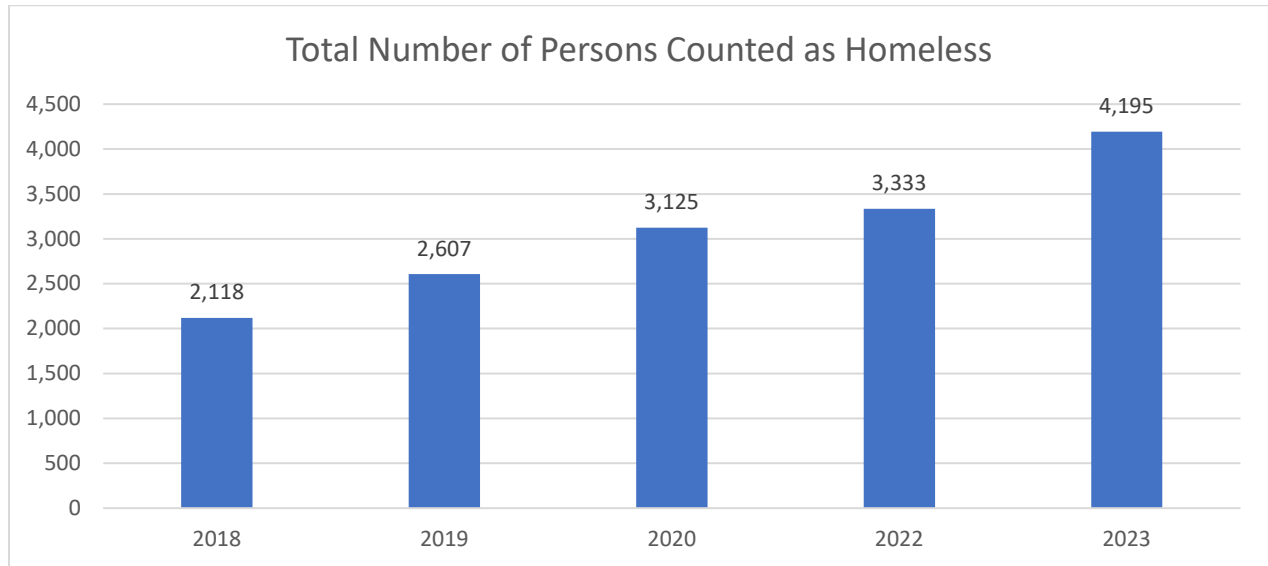

- CoCs must count all individuals or families who meet the criteria in paragraph (1)(i) of the homeless definition in 24 CFR 578.3. This includes individuals and families **“with a primary nighttime residence that is a public or private place not designed for or ordinarily used as a regular sleeping accommodation for human beings, including a car, park, abandoned building, bus or train station, airport, or camping ground”** on the night designated for the count. Rapid Re-Housing (RRH) assisted households who are

# DRAFT

still unsheltered on the night of the count (e.g., staying in an encampment and being assisted by an RRH project to obtain housing) must be included as part of the unsheltered count.

The following chart shows that the number of persons counted as unsheltered and sheltered in 2018 was 2,118 and 4,195 in 2023, which represents an increase of 2,077 persons or 98.1%.

Chart 1. Persons Counted 2018 - 2023

The following table provides a breakdown of the total number of sheltered and unsheltered persons counted in 2023 by jurisdiction.

Table 3 notes that more than three-fourths (76.9%) or 3,226 of the 4,195 homeless adults and children were counted within seven cities that include Barstow, Colton, Fontana, Ontario, Redlands, San Bernardino, and Victorville. These seven cities accounted for 2,163 nearly three-fourths (72.7%) or 2,163 of the total unsheltered population of 2,976 and 1,063 or 87.2% of the 1,219 persons counted in shelters and transitional housing.

Table 3. Jurisdictions with Largest Number of Homeless Persons

Jurisdiction	Sheltered		Unsheltered	Total

# DRAFT

## Background Information

The U.S. Department of Housing and Urban Development (HUD), as part of its requirements for local Continuums of Care (CoCs) to continue to receive continuum of care funding for homeless persons, requires CoCs to conduct “one-day point-in-time” sheltered and unsheltered homeless counts during the last 10 days of January. The CA-609 San Bernardino City and County CoC is one of nearly 400 jurisdictions nationwide that submit an annual application to HUD for continuum of care funding.

HUD requires CoCs to conduct a sheltered count every year and an unsheltered count every other year. The San Bernardino City and County CoC conducts an annual unsheltered count as do more than half of California’s 44 CoCs.

### **When was the count conducted?**

The unsheltered homeless count was conducted on Thursday, January 26, 2023, and began at 6 a.m. The sheltered count included residents of shelters and transitional housing programs throughout the county who slept in these facilities during the night of January 25 through the early morning of January 26.

HUD allows counting in hard-to-reach and remote places to continue up to seven days after the count as long as persons are asked if they were homeless on the day of the count and a unique identifier is used to prevent duplication. A limited amount of counting occurred during the seven days following the count in a few hard-to-reach and remote places and other places where counting did not take place because of various reasons.

### **Who was counted?**

Per HUD’s instructions, a person was considered homeless, and thus counted, only when they fell within the HUD-based definition by residing in one of the places described below:

- In places not meant for human habitation, such as cars, parks, sidewalks, and abandoned buildings;
- In an emergency shelter; and
- In transitional housing for homeless persons.

Each person who was counted was also asked a series of survey questions that ensured that all HUD required subpopulation data was collected that included adults with:

- HIV/AIDS;
- Serious mental illness; and

# DRAFT

- Substance use disorders.

Subpopulations also included:

- Families;
- Chronically homeless families and individuals;
- Veterans; and
- Youth age 18 – 24.

Several questions to gather local desired information were also asked and included:

- In what city did you first become homeless?
- In what city are you living now?
- Did you become homeless for the first time during the past 12 months?
- Have you been released from prison or jail during the last 12 months?
- How much is your monthly income?

## **Who was not counted?**

Per HUD’s instructions, a person was not considered homeless if the person resided in one of the following places noted below:

- Medical facilities, such as hospitals, psychiatric facilities, and nursing homes;
- Jails, prisons, or juvenile detention facilities;
- Chemical dependency facilities, such as substance use treatment facilities and detox centers;
- Foster care homes or foster care group homes.

Also, per HUD’s instructions, children identified by McKinney-Vento Homeless Coordinators at schools as homeless should not be counted. Children may be included in the count if they live in an emergency shelter or transitional housing program, or if they are unsheltered.

Lastly, HUD does not consider persons who are “doubled up,” or persons who are “near homelessness” to be homeless but considers them to be at risk of becoming homeless. Thus, such persons were not included in the homeless count.

San Bernardino County, like many other counties, has a substantial number of households that are at risk of becoming homeless. The Census Bureau noted that 13.2 percent or approximately 110,000 households (consisting of approximately 333,000 residents) in the county were living at or below the poverty level as reported in the 2022 American Community Survey.

Many of these persons can become homeless because of social structural issues such as increases in rent, loss of jobs, and rising health care costs. In addition, personal experiences such as

# DRAFT

domestic violence, physical disabilities, mental illness, and substance abuse can cause members of a low-income household or an entire household to become homeless. Often, one or more of these causes factor into a household's homelessness experience.

## **Who carried out the count?**

The homeless count and subpopulation survey was a joint effort of the San Bernardino County Homeless Partnership, the San Bernardino County Office of Homeless Services, and the Institute for Urban Initiatives. More than 800 community volunteers were recruited to execute the count and subpopulation survey. As noted in the Acknowledgements section of this report, there were 38 agencies, plus 24 cities and towns, that contributed staff time and office space for the training and deployment of counters and there were 24 law enforcement agencies that provided their time, knowledge, and expertise regarding locations of homeless persons. Also, there were nearly 16 agencies and county departments that helped with the planning process, including the San Bernardino County Innovation and Technology Department (ITD), which created maps to guide counters.

**The San Bernardino County Homeless Partnership (SBCHP)** was formed to provide a more focused approach to issues of homelessness within San Bernardino County. Its primary purpose is to develop a countywide public and private partnership and to coordinate services and resources to reduce homelessness in San Bernardino County. The partnership consists of community and faith-based organizations, educational institutions, non-profit organizations, private industry, and federal, state, and local governments. SBCHP was developed to promote a strong collaboration between agencies to direct the planning, development, and implementation of the county's strategy to prevent and reduce homelessness. The partnership provides leadership in creating a comprehensive countywide network of service delivery to homeless and near-homeless households by facilitating better communication, planning, coordination, and cooperation among all entities that provide services and/or resources to relieve homelessness.

**The San Bernardino County Office of Homeless Services (OHS)** serves as a "clearinghouse" of homeless issues for all county departments. Any homeless issues encountered by county staff can be referred to this office for resolution. OHS staff plays a vital role in the San Bernardino County Homeless Partnership as the administrative support unit to the organization. OHS ensures that SBCHP's vision, mission and goals are carried into effect.

**The Hub for Urban Initiatives** consists of several community- and faith-based institutes that respond to the economic, housing, and social needs of neighborhoods, cities, and counties from local community, regional, national, international, and faith-based perspectives. Urban Initiatives has completed over 100 assessments for local government and private organizations throughout Southern California that have focused on affordable housing, business development and education for micro-businesses, fair housing, homelessness, migrant farming, and street vending.

# DRAFT

## Methodology

### Unsheltered Count and Survey

To conduct the count, Esri's ArcGIS software platform was used. The 2023 Homeless Point-in-Time Count was a configuration of Survey 123 for ArcGIS and Operations Dashboard for ArcGIS that was used by the county's Office of Homeless Services in partnership with the Innovation and Technology Department to conduct the 2023 homeless count and survey.

The Homeless Point-in-Time Count efforts included the following applications:

- Homeless count survey, which included nearly 30 questions to meet HUD requirements concerning the collection of data for designated subpopulations and to meet local requests for additional information about the homeless population;
- Homeless count dashboard, which was used to monitor results of the point-in-time count in real time; and
- Homeless count results application that provided for instant viewing of data and tables that detailed point-in-time results.

A digital survey form was designed to simplify the surveyor's experience; only relevant questions were displayed based on the answers input, eliminating the need for surveyors to devote time and effort to determine which questions to ask, and resulting in a streamlined surveying experience.

Additional logic was built into the form to perform calculations behind-the-scenes. For example, the form combined the answers from a subset of questions to determine whether the respondent met HUD's definition of chronically homeless and calculated the result instantly as the survey was completed. Extensive testing was conducted to ensure the various combinations of factors were all successfully calculated to a correct result. These calculations allowed for real-time monitoring of such metrics as the count was taking place using an Operations Dashboard, ultimately eliminating the need for the calculations after the count was completed.

An added benefit of using digital surveys was the capture of location information. When a survey was conducted, the global positioning system (GPS) location of the surveyor's mobile device was captured, providing the geographic location of where the survey took place, and opening up opportunities for mapping and analyses not possible in previous years. (For safety and privacy reasons, location information was not captured for surveys of sheltered homeless persons.) Upon completion of the count, the data were examined and scrubbed to remove any invalid records, such as practice surveys submitted before the official start of the count. Steps were also taken to ensure that duplicate records – instances where the same individual was surveyed more than once in the same location – were identified and removed.

# DRAFT

## **Closer monitoring of undercounted areas**

As previously noted, the ESRI Survey 123 app provided the ability for a homeless count dashboard, which was used to monitor results of the Point-in-Time Count in real-time. This provided instant viewing of data points on the dashboard in the command center during the time of the count. Each data point represented a household counted.

During the count, if data points did not appear in areas where homeless persons were known to live, volunteers were sent to the area to count, and persons counted were included in the total count if they were not previously counted.

After the count, if data points did not appear in areas where homeless persons were known to live, professional outreach workers were sent to those areas the next day and persons were included in the total count if they were not previously counted. HUD allows for next day counting based upon two conditions: 1) any homeless persons encountered be asked if they were homeless on the day of the count and 2) a unique identifier must be created for that person.

A unique identifier was created for all persons counted on the day of the count and the day after the count. If the same unique identifier appeared twice, it was assumed that it was the same person; also, a person was only included once in the total count if the person stated “yes” when asked “if they were homeless on the day of the count,” which was Thursday, January 26<sup>th</sup>.

## **Analyzing the subpopulation data**

Only adults and unaccompanied teenage children who are counted are surveyed, accompanied children in families are not. Of the 2,959 adults and unaccompanied children under 18 counted, 1,743 or 59% were surveyed and 1,216 or 41% were observed. Counters were instructed to record “no” in the digital survey form for question 4, “Are you able to interview this person” and to give their best guess-estimate for questions 5 – 8, which asked for gender, age, ethnicity, and race, if they believed there was a safety issue, a persons was sleeping, or a person refused to be interviewed.

## **Sheltered**

HUD encourages the use of Homeless Management Information Services (HMIS) data to generate sheltered counts and subpopulation data for programs with 100% of beds participating in HMIS. Therefore, HMIS was used to gather the total number of occupied beds and the number of persons for each subpopulation.

A data collection instrument was used to collect the total number of occupied beds and the number of persons for each subpopulation for non-participating HMIS programs and for HMIS participating agencies whose HMIS data is incomplete and/or incorrect. The same questions used to collect subpopulation data through HMIS were used for the data collection instrument.

# DRAFT

## Unsheltered Homelessness

Of the 4,195 persons counted as homeless in 2023, 2,976 or nearly three-fourths (70.9%) were unsheltered, which is defined by HUD as

“An individual or family who lacks a fixed, regular, and adequate nighttime residence, meaning: (i) An individual or family with a primary nighttime residence that is a public or private place not designed for or ordinarily used as a regular sleeping accommodation for human beings.”

HUD also requires that the total number of unsheltered and sheltered adults be broken down by various subpopulations including age, gender, race, and ethnicity. Of the 2,976 unsheltered persons counted, 2,948 were adults, 11 were unaccompanied children under age 18, and 17 were children under age 18 in families.

HUD requires that the following demographic information be included in the Point-in-Time Count chart submission to HUD: Gender, Ethnicity, Race, and Age. Thus, the following questions were included in the homeless count survey:

What is Your Gender?

The following table provides a breakdown by gender for adults, unaccompanied youth under age 18, and accompanied children under age 18 in families. HUD requires the summary to consist of men, women, transgender, gender non-conforming (i.e., not exclusively male or female), and questioning.

Nearly three-fourths (70.8%) of adults were male and more than one-fourth (28.3%) of adults were female.

More than half (54.5%) of unaccompanied youth under age 18 were male and a little less than half (45.5%) were female.

Nearly half (47.1%) of accompanied children under age 18 in families were male and nearly half (47.1%) were female.

# DRAFT

Table 5. Breakdown by Gender

<b>Total:</b>	<b>2,948</b>	<b>100</b>	<b>11</b>	<b>100</b>	<b>17</b>	<b>100</b>

Are You Hispanic/Latin(a)(o)(x)?

Table 6 offers a breakdown by ethnicity. HUD requires the summary to consist of Hispanic/Latin (a)(o)(x) and non-Hispanic/Latin(a)(o)(x).

More than one-third (37.1%) of adults and more than one-third (36.4%) of unaccompanied youth under age 18 were Hispanic/Latin(a)(o)(x). Nearly one-fourth (23.5%) of accompanied children under age 18 in families were Hispanic/Latin(a)(o)(x).

Table 6. Breakdown by Ethnicity

	Adults		Unaccompanied Youth Under Age 18		Accompanied Children Under Age 18 in Families	
	#	%	#	%	#	%
Hispanic/Latin(a)(o)(x)	1,094	37.1	4	36.4	4	23.5

<b>Total:</b>	<b>2,948</b>	<b>100</b>	<b>11</b>	<b>100</b>	<b>17</b>	<b>100</b>

What is Your Race?

The following table provides a breakdown by race.

Nearly half (49.8%) of adults identified as White, nearly half (45.4%) of unaccompanied youth under age 18 identified as multiple races, and more than half of accompanied children under age 18 in families were identified as Black, African American, or African by an adult in family.

# DRAFT

Table 7. Breakdown by Race

	Adults		Unaccompanied Youth Under Age 18		Accompanied Children Under Age 18 in Families	
	#	%	#	%	#	%

<b>Total:</b>	<b>2,948</b>	<b>100</b>	<b>11</b>	<b>100</b>	<b>17</b>	<b>100</b>

## How Old Are You?

Table 8 offers a breakdown by age for adults according to HUD required age groups.

More than half (53.3%) of adults were age 44 or younger: 5.1% were age 18 – 24; 22.0% were age 25 – 34; and 26.2% were age 35 – 44.

Less than half (46.7%) of adults were age 45 or older: 22.5% were age 45 – 54; 18.8% were age 55 – 64; and 5.4% were age 65+.

Table 8. Breakdown by Age for Adults

Adults	#	%
Age 18 – 24	150	5.1
Age 25 – 34	649	22.0
Age 35 – 44	773	26.2
Age 45 – 54	663	22.5
Age 55 – 64	554	18.8
Age 65+	159	5.4
<b>Total:</b>	<b>2,948</b>	<b>100</b>

# DRAFT

The next table notes that more than half (55.5%) or 6 of the 11 unaccompanied children under age 18 were 17 years old and less than half (45.5%) or 5 of the 11 were age 16.

Table 9. Breakdown by Age for Unaccompanied Children Under Age 18

Unaccompanied Children Under Age 18	#	%
Age 16	5	45.5
Age 17	6	55.5
<b>Total:</b>	<b>11</b>	<b>100</b>

## Other Subpopulations

Table 10 provides a breakdown of other subpopulations for adults.

Table 10. Breakdown by Subpopulations (n=2,948)

Subpopulations:	#	%
Chronically Homeless Adults	1,300	44.1
Families including Chronically Homeless Families*	11	**
Persons w/HIV/AIDS	35	1.2
Persons w/Mental Health Problems	646	21.9
Substance Users	929	31.5
Veterans***	203	6.9
Experiencing Homelessness Due to Fleeing Domestic Violence, Dating Violence, Sexual Assault, or Stalking	268	9.1

\*Families:

- Of the 11 families, 4 were chronically homeless that included 4 adults and 5 children.
- The total number of adults in the 11 families was 14 and represents 0.5% of the total adult population of 2,948.

\*\*11 families consisted of 14 adults and 17 children.

\*\*\*Veterans:

- 46.2% or 94 of the 203 veterans were chronically homeless.

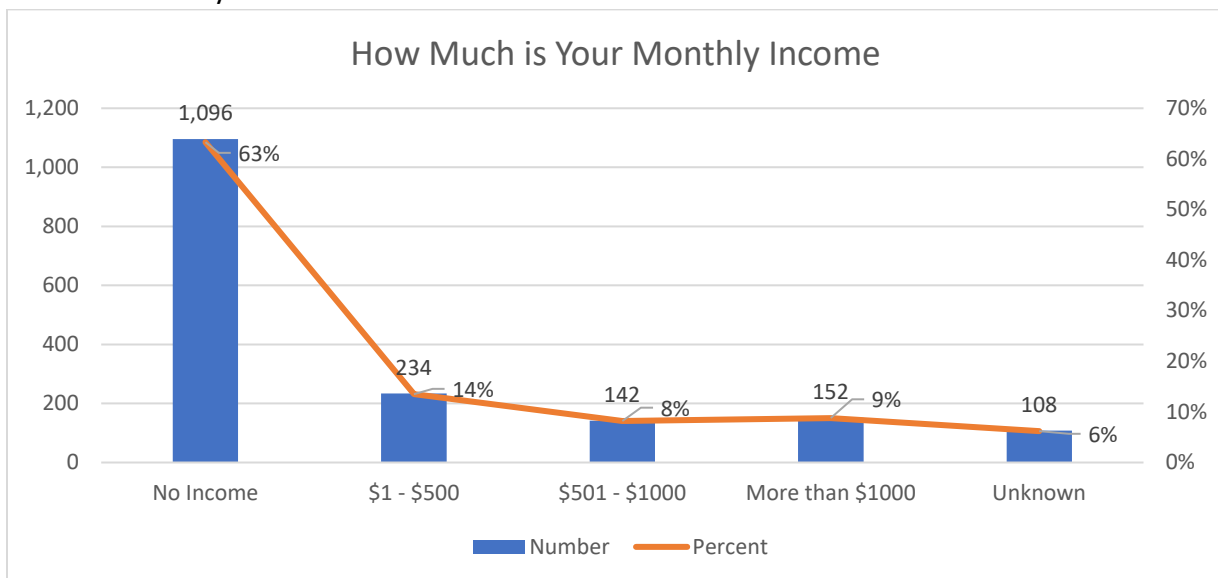

## Other Survey Questions

Other questions were included in the survey that were not required by HUD and include

# DRAFT

- ***Did you become homeless for the first time during the past 12 months?***
  - Of the 1,732 adults who were interviewed, 691 or 39.9% stated “yes.”
- ***Has a doctor or other medical professional ever told you that you have a chronic health condition that is life-threatening such as heart, lung, liver, kidney, or cancerous disease?***
  - Of the 1,732 adults who were interviewed, 245 or 14.1% stated “yes.”
- ***Have you ever been in foster care?***
  - Of the 1,732 adults who were interviewed, 217 or 12.5% stated “yes.”
- ***Have you been incarcerated during the last 12 months?***
  - Of the 1,732 adults who were interviewed, 396 or 22.9% stated “yes.”
- ***How much is your monthly income?***
  - As noted in the following chart, more than three-fourths (77%) of survey respondents had no monthly income (63%) or monthly income of \$500 or less (14%).

Chart 2. Monthly Income

# DRAFT

- *In what city did you first become homeless?*

Table 11 notes the responses from the 1,732 adults who were interviewed. For example, 556 adults or 32.1% stated the City of San Bernardino.

## Sheltered Homelessness

Of the 4,195 persons counted in 2023, 1,219 persons or 29.1% were sheltered. Among the 1,219 sheltered persons, 772 were counted in shelters or received non-congregate shelter through a motel voucher and 447 were counted in transitional housing programs. HUD states that persons living in shelters and transitional housing programs (including safe haven programs) on the night of the count must be included in the homeless count.

As required by HUD, the sheltered count included the number of persons and households sleeping in emergency shelters (including seasonal shelters) and transitional housing programs that were listed on the Housing Inventory Chart (HIC). In addition, any persons staying in hotels or motels paid for by a social service agency were included in the sheltered count per HUD's instructions if the voucher program was listed on the Homeless Inventory Count (HIC).

HUD also requires that the total number of sheltered persons be broken down by pre-designated subpopulations. The total number of sheltered persons by the pre-designated subpopulations for 2023 are listed in the table on the following page.

The HIC was submitted by OHS staff to HUD by the deadline of April 28, 2023. Prior to the homeless count, the HIC was specifically undated to include any new programs or exclude any programs no longer operational by OHS staff and Key Person Task Force members. A few changes were made to the HIC prior to the count.

HUD encourages the use of HMIS data to generate sheltered counts and subpopulation data for programs with 100% of beds participating in HMIS. Therefore, HMIS was used to gather the total number of occupied beds and the number of persons for each subpopulation. A data collection instrument was used to collect the total number of occupied beds and the number of persons for each subpopulation for non-participating HMIS programs, and for HMIS participating agencies that do not have their HMIS data complete and correct. The same questions used to collect subpopulation data through HMIS were used for the data collection instrument. Thus, sheltered count data for all sheltered programs was gathered either through a data collection sheet or HMIS.

The following table provides a breakdown of the sheltered population of 1,219 adults and children by the subpopulations required by HUD.

## Key Findings

1. The number of adults and children counted as homeless increased by 25.9% when the 2023 point-in-time homeless count of 4,195 is compared to the 2022 point-in-time homeless count of 3,333.
2. The number of adults and children counted as unsheltered increased by 24.6% when the 2023 unsheltered count of 2,976 is compared to the 2022 unsheltered count of 2,389.
3. The number of adults and children counted as sheltered increased by 29.1% when the 2023 sheltered count of 1,219 is compared to the 2022 sheltered count of 944.
4. More than three-fourths (76.9%) or 3,226 of the 4,195 homeless adults and children were counted within seven cities that include Barstow, Colton, Fontana, Ontario, Redlands, San Bernardino, and Victorville.
  - a. These seven cities accounted for 2,163 or nearly three-fourths (72.7%) of the total unsheltered population of 2,976 and 1,063 or 87.2% of the 1,219 persons counted in shelters and transitional housing.
5. More than one-third (39.9%) of unsheltered adults and children counted as homeless became homeless for the first time during the 12 months prior to the homeless count.
6. Nearly one-third (32.1%) of unsheltered adults stated “City of San Bernardino” when asked in what city did you first become homeless.
7. Nearly half (44.1%) of unsheltered adults were chronically homeless, which is defined as being homeless for one year or more and having a disabling condition such as mental illness, chronic health condition, and a physical disability.
8. Nearly one-fourth (22.9%) of unsheltered adults answered “yes” when asked if they had been incarcerated during the past 12 months.
9. Nearly two-thirds (63%) of unsheltered adults answered “no income” when asked to state their monthly income.
10. More than three-fourths (77%) of unsheltered adults answered either “no income” (63%) or “less than \$500” (14%) when asked to state their monthly income.

## Appendix B: San Bernardino 2023 Unsheltered Count Survey

---

1. Where did you sleep last night?
  - If in a vehicle, what type of vehicle?
  - How many persons including yourself slept overnight in the same vehicle?
2. What is the first initial of your first name?
3. What is the first initial of your last name?
4. What is your gender?
5. How old are you?
6. Are you Hispanic, Latino or Latina?
7. What is your race?
8. In what state were you born?
  - If the person was born outside of the United States, select “Outside of the U.S” and note what country.
9. In what city did you first become homeless?

*Note: questions 10 – 12 were asked to determine if the person was chronically homeless according to HUD’s definition.*

10. Did you become homeless for the first time during the past 12 months?

# DRAFT

11. Have you been living in a shelter and/or on the streets, in abandoned buildings, or in a vehicle for the past year or more?
12. Have you been living in a shelter and/or on the streets, in abandoned buildings, or in a vehicle at least four (4) separate times during the last three (3) years including now?
